For the 500th anniversary of the Reformation, a new translation of Martin Luther's most famous works by leading Luther scholar and pastor William Russell This volume contains selections from Martin Luther's most evocative and provocative writings, freshly translated, for the 21st century. These documents, which span the Reformer's literary career, point to the enduring and flexible character of his central ideas. As Luther's reform proposals emerged, they coalesced around some basic priorities, which he delivered to wide-ranging audiences--writing for children, preaching in congregations, formulating academic treatises, penning letters to family and friends, counter-punching critics, summarizing Biblical books, crafting confessions of faith, and more. This book demonstrates that range and provides entry points, for non-specialists and specialists alike, into the thought and life of the epoch-defining, fascinating, and controversial Martin Luther. With attention to the breadth of his literary output, it draws from his letters, sermons, popular writings, and formal theological works. This breadth allows readers to encounter Luther the man: the sinner and the saint, the public activist and the private counselor, the theologian and the pastor. These writings possess a practical, accessible arc, as Luther does not write only for specialists and church officials, but he applies his chief insights to the "real-life" issues that faced his rather wide variety of audiences.

Did Martin Luther wield his hammer on the Wittenberg church door on October 31, 1517? Did he even post the Ninety-five Theses at all? This collection of documents sheds light on the debate surrounding Luther's actions and the timing of his writing and his request for a disputation on the indulgence issue. The primary documents in this book include the theses, their companion sermon ("A Sermon on Indulgence and Grace", 1518), a chronological arrangement of letters pertinent to the theses, and selections from Luther's Table Talk that address the Ninety-five Theses. A final section contains Luther's recollections, which offer today's reader the reformer's own views of the Reformation and the Ninety-five Theses.

Five hundred years ago Martin Luther wrote his Ninety-Five Theses, inaugurating the Protestant Reformation, and with it exemplified an unflinching devotion to return to the Word of God as the ultimate authority. Today, the church is also in desperate need for reformation--a new reformation to correct her shortcomings and meet the challenges of the day. Some might see everything as fine, some might see everything as hopeless, and others might simply dismiss the church as irrelevant, too impotent to reform herself, much less to strengthen the disintegrating family or address the downward-spiraling culture with a prophetic voice. 95 Theses for a New Reformation confronts the necessity for reformation today head-on. Over thirty of today's pastors, theologians, and church leaders analyze ninety-five current problems, search the Scriptures for solutions, and make sound biblical appropriations to implement into the life of the church, family, and culture. On this 500th anniversary of the Protestant Reformation, let us pray that the Lord will again revive his church for his own glory and for the purification of Christ's beloved bride, the church. And let us prepare ourselves to respond with urgency to God's call to action by reforming the church, family, and culture. Contributors include: John Frame, John MacArthur, R. C. Sproul, Peter J. Leithart, and James White

This daily devotional book explores the kingdom of grace and how to fight the fight of faith. The author believes that you don't get righteousness by seeking righteousness, but by seeking Jesus.

"The text that follows is loosely based on the English translation of Adolph Spaeth, L. D. Reed, and Henry Eyster Jacobs."

Morris Venden is best known in the Adventist Church for the sensible answers he gives to the questions people ask about how to make Christianity work in real life-such as:Why do other people always seem to get answers to their prayers, but I never do?Why should I expect answers to my prayers? The Bible says that God won't answer the prayers of a sinner. There's something I really want, but doesn't God get tired of hearing me ask for it over and over?Saying "Thy will be done" shows a lack of faith. Wouldn't we get more answers to prayer if we just told God what we want and then really believed we'd get it?Is God angry with me? Is that why He won't answer my prayer?In The Answer Is Prayer Venden responds to these and many other questions, both from the Bible and the writings of Ellen White. And, as always, he shows that underlying everything else is learning to know Jesus as a Friend. - The problem With PrayerKinds of PrayerWhy Pray?Arguing With GodIntercessory PrayerConditions to Answered PrayerPrayer and Cherished SinPrayer and Overcoming Prayer, Faith, and PromisePrayer for HealingPersistence in PrayerWhen God SpeaksPrayer and FastingThy Will Be DonePray and WorkPrayer and PraiseWhy Things Get Worse When We Pray
