Shining a Light on Dark Matter. Dark matter, although invisible, makes up most of the universe's mass and creates its underlying structure. Dark matter's gravity drives normal matter (gas and dust) to collect and build up into stars and galaxies. Although astronomers cannot see dark matter, they can detect its influence

A time to shine the light in the darkness.  
In this season of Advent, we recognize the  
darkness, and we look toward the coming  
light. We are in the middle of a dark  
season, and too many of us downplay the  
darkness. This moment calls for a church  
that meets those in the darkness and points
