Our image of Roman satire has developed from that of a static, moralizing genre to a deliberately complex form, but our approach to the humour intrinsic to satire has not developed accordingly. This book offers a comprehensive new analysis of humour in the writings of Horace, Persius, and Juvenal, with an excursus to Lucilius. The main thesis is that far from being an external means of ...

Structure of verse satire. Roman satire is hardly more determinate in its structure than in its style; the poems are so haphazardly organized, so randomly individual, that there seems little justification for speaking of them as a literary kind at all. Beneath the surface complexity of the poems, however, there exists, as one modern scholar has pointed out, a structural principle common to the satires of the Roman poets and their French and English followers.

Horatian. Horatian satire, named for the Roman satirist Horace (65-8 BCE), playfully criticizes some social vice through gentle, mild, and light-hearted humour. Horace (Quintus Horatius Flaccus) wrote Satires to gently ridicule the dominant opinions and "philosophical beliefs of ancient Rome and Greece" (Rankin).
