Two decades after war ravaged the nation, one of the last remaining metropolises thrives on a currency of sex, drugs, and lies. Gordon Frost is a survivor. He outlived all of his friends after bombs decimated the hardscrabble neighborhood he grew up in, and he made it through the orphanages and crime-ridden slums that followed. With few prospects for the future, Gordon carved out a niche for himself in the expanding drug trade of Lexington, PA. It's not pretty, but it's his, and it beats the skin trade he was involved with before. But a classic case of being in the wrong place at the wrong time results in a brush with death, going by the name of Adam. Afterward, the life that once seemed good enough isn't quite the same. Adam Blake is an assassin on the brink of being terminated by the very organization that controls him. He completed his mission, but not without being seen. With his secrets in danger of being exposed by Gordon, Adam knows he should kill the smart-mouthed redhead, but finds himself intrigued by the troublesome civilian instead. When Gordon's knack for finding trouble combines with the dangerous consequences of Adam's indecision, their worlds intertwine in an explosive way. \*\*This is a standalone novel with a happy ending\*

When the Devil needs a rogue demon killed, who does he call? The Player: Necromance-for-hire Dante Valentine is choosy about her jobs. "A Five Boroughs Story " Michael Rodriguez and Nunzio Medici have been friends for two decades. From escaping their dysfunctional families in the working-class neighborhood of South Jamaica, Queens, to teaching in one of the city's most queer-friendly schools in Brooklyn, the two men have shared everything. Or so they thought until a sweltering night of dancing leads to an unexpected encounter that forever changes their friendship. Now, casual touches and lingering looks are packed with sexual tension, and Michael can't forget the feel of his best friend's hands on him. Once problems rear up at work and home, Michael finds himself seeking constant escape in the effortless intimacy and mind-blowing sex he has with Nunzio. But things don't stay easy for long. When Michael's world begins to crumble in a sea of tragedy and complications, he knows he has to make a choice: find solace in a path of self-destruction or accept the love of the man who has been by his side for twenty years. "

What doesn't kill you makes you a killer. Santino DiLustro changed me. You can't spend time in bed with the devil without getting addicted to the heat. Before him, I was a girl. Innocent and weak. Now, I'm a woman. A fighter. A killer. I'll burn the world down for him. Shatter the sky. But I will not break. No. I will rise up and destroy whoever dares to threaten what my king has built, because I am forever his queen.

An epic mafia romance trilogy that sets a new bar for just how dark a hero can get, from NY Times Bestselling author CD Reiss. Some girls dream of marrying a prince, but I never imagined I'd be sold to a king. Santino DiLustro. The king. The monster. The keeper of secrets. When he forced me to marry him, I cried for love I'd never know. When he locked me away, I cried for the freedom I lost forever. Every other tear I've shed is for my soul, because I'm falling for the devil himself. Book one of three in the The Dilustro Arrangement.

Sam Raines performs a love spell with his Wiccan best friend after breaking up with the only other gay guy at school and finds himself pursued by three seemingly perfect suitors.

"After fleeing Astrea and regaining her freedom, Theo searches for new allies to help her reclaim her throne, although that comes at a steep price. And with her enemies closer than she thinks, Theo's fight to win back Astrea may prove not only impossible, but deadly"--

Ghosts can't seem to keep their opinions to themselves. Seventeen-year-old Nate Shaw should know; he's been talking to them since he was twelve. But they aren't the only ones making his high school years a living hell. All Nate wants is to keep his secret and keep his head down until he can graduate. That is, until the new boy, James Powell, takes a seat next to him in homeroom. James not only notices him, he manages to work his way into Nate's life. But James has issues of his own. Between dead grandmothers and living aunts, Nate has to navigate the fact that he's falling in love with his only friend, all while getting advice from the most unusual places. Ghosts, bullies, first love: it's a lot to deal with when you're just trying to survive senior year.

"Two boys. Six sci-fi conventions. One amazing summer."--Page 4 of cover.
