Prolonged viewing of the colored patch induces an afterimage of the complementary color (for example, yellow color induces a bluish afterimage).

**Afterimage** - Wikipedia
An afterimage is a type of optical illusion in which an image continues to appear briefly even after exposure to the actual image has ended. 1 ¶ You have probably noticed this effect a number of times.

**Positive and Negative Afterimages** - Verywell Mind
Afterimage definition is - a usually visual sensation occurring after stimulation by its external cause has ceased. How to use afterimage in a sentence.

**Afterimage** | Definition of Afterimage by Merriam-Webster
Afterimage, visual illusion in which retinal impressions persist after the removal of a stimulus, believed to be caused by the continued activation of the visual system. The afterimage may be positive, corresponding in colour or brightness to the original image, or negative, being less bright or of colours complementary to the original.

**Afterimage** | psychology | Britannica
Afterimage A flash of light prints a lingering image in your eye. After looking at something bright, such as a lamp or a camera flash, you may continue to see an image of that object when you look away. This lingering visual impression is called an afterimage.

Directed by Andrzej Wajda. With Boguslaw Linda, Zofia Wichlacz, Bronislawa Zamachowska, Andrzej Konopka. The story of charismatic painter Wladyslaw Strzeminski, who opposed social realism and maintained his own artistic freedom in spite of political obstacles.

**Afterimage (2016)** - IMDb
An experience of an afterimage is caused by a previously seen stimulus, when that stimulus itself is no longer present. Negative afterimages exhibit inverted lightness levels, or colours complementary to, those of the stimulus and are usually brought on by prolonged viewing of a stimulus. They are best seen against a brightly light background.

**Negative Afterimages** - The Illusions Index
In 1945, as Stalin sets his hands over Poland, famous painter Wladislaw Strzeminski refuses to compromise on his art with the doctrines of social realism. Persecuted, expelled from his chair at the University, he's eventually erased from the museums' walls. With the help of some of his students, he starts fighting against the Party and becomes the symbol of an artistic resistance against ...

Afterimage Critics Consensus. Afterimage's punishing narrative pays dividends through Andrzej Wajda's still-formidable control and a message that, while certainly grim, is undeniably worthy.

**Afterimage (Powidoki) (2017)** - Rotten Tomatoes
"Afterimage" is a love story on steroids as told by screenwriter Carla Malden. She writes about her husband Laurence's 11-month struggle with colon cancer and his untimely death at age 55. Carla also chronicles her grief during her first year as a young, baby-boomer widow. The book covers a lot of territory and almost reads like a novel.

AFTERIMAGE, Naomi Hughes' debut sci-fi thriller, is a page-turner with twists and turns that will leave you racing through the pages way past your bedtime to find out what happens next. Hughes demonstrates incredible mastery over plot and pacing; subtle hints are peppered throughout the story, which add layers as the

**Afterimage by Naomi Hughes** - Goodreads
An afterimage or ghost image or image burn-in is an optical illusion that refers to an image continuing to appear in one's vision after the exposure to the original image has ceased. A common form of afterimages is the bright glow that seems to float before one's eyes after looking into a light source for a few seconds.
