Artifacts—the objects we make and use—are part of American history. If we know how to look at them, they can be sources for better understanding our history. While textbooks focus on the great documents of the American past, or the important events, artifacts can show us another kind of history, another way of approaching the past.

Advanced Placement: U.S. History

"America Past and Present, AP Edition, Ninth Edition strives to achieve the shared goal of the previous editions: to present a clear, relevant, and balanced history of the United States as an unfolding story of national development, from the days of the earliest inhabitants to the present. We emphasize the story because we strongly believe in the value of historical narrative in providing a vivid sense of the past. In each chapter, we seek to blend the excitement and drama of the American experience with insights about the social, economic, and cultural issues that underlie it"--Preface.

"America Past and Present, AP Edition, Ninth Edition strives to achieve the shared goal of the previous editions: to present a clear, relevant, and balanced history of the United States as an unfolding story of national development, from the days of the earliest inhabitants to the present. We emphasize the story because we strongly believe in the value of historical narrative in providing a vivid sense of the past. In each chapter, we seek to blend the excitement and drama of the American experience with insights about the social, economic, and cultural issues that underlie it"--Preface.

"From five distinguished scholars comes one approachable and compelling narrative. U.S.: A Narrative History tells the stories of the American people in a concise and visually appealing way. The engaging narrative, crafted by a team of authors representing different eras, regions, topics, and approaches, showcases the diversity and complexity of the American past and guides students to develop a more nuanced understanding of our present and future. This extremely readable program provides opportunities to engage with and uncover the history of America by leveraging the tools and practices that historians use to illuminate the past. The approachable narrative is sup-ported by a comprehensive set of learning activities found in Connect: American History. By harnessing the power of Connect, your students will get the help they need, when and how they need it, so that your class time can be more rewarding for your students and you!"--

Reviews American history, describes nine basic kinds of history essay questions, and includes three sample tests

Includes the "AP Advantage 3-Step Solution, 1 Platform" formula for learning.

Alan Brinkley's American History sets the standard for balance of perspective and the exploration of ongoing historical questions. In this AP edition, we are pleased to announce a number of firsts for American History: a new primary-source feature that makes connections between the present and the past; a new pedagogy program that helps students to comprehend and think critically about content; and a groundbreaking set of digital tools, powered by Connect, that create a unique learning environment. The result is greater course success. Connect to the stories, connect to the experience, connect to success in history. - Back cover.

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).
