Microeconomics Study Sheet - 10/2020

AP Macroeconomics. The purpose of the AP course in

macroeconomics is to give students a thorough

understanding of the principles of economics that apply to

an economic system as a whole. The course places particular

emphasis on the study of national income and price-level

determination, and also develops students' familiarity

with economic performance measures, the financial sector,

stabilization policies, economic growth, and international

economics.
