~~Audi A6 20 Tdi~~
Maintenance

The Audi A6 is a
finely engineered
German sports sedan,
but it is also a

Get Free Audi A6 20 Tdi

complex state of the art machine, so as they get older, some of the more advanced features may not seem all that advanced, and may be hard to fix, like the Multi-Media Interface (MMI). The basic mechanical parts should last well into 200,000 miles with proper maintenance.
