When the world around you turns dark, tap into the light. If you're having a hard time finding that light, facing trauma and division, or want to send healing vibes to a friend, the inspired, easy-to-do spells of Light Magic for Dark Times can assist. Luna Luna magazine's Lisa Marie Basile shares inspired spells, rituals, and practices, including: A new moon ritual for attracting a lover A spell to banish recurring nightmares A graveyard meditation for engaging with death A mermaid ritual for going with the flow A zodiac practice for tapping into celestial mojo A rose-quartz elixir for finding self-love A spell to recharge after a protest or social justice work These 100 spells are ideal for those inexperienced with self-care rituals, as well as experienced witches. They can be cast during a crisis or to help prevent one, to protect loved ones, to welcome new beginnings, to heal from grief, or to find strength. Whether you're working with the earth, performing a cleanse with water or smoke, healing with tinctures or crystals, meditating through grief, brewing, enchanting, or communing with your coven, Light Magic for Dark Times will help you tap into your inner witch in times of need.

"Whenever there is a problem, repeat over and over: All is well. Everything is working out for my highest good. Out of this situation only good will come. I am safe." In this healing tour de force, best-selling authors Louise L. Hay and Dr. Mona Lisa Schulz have teamed up for an exciting reexamination of the quintessential teachings from Heal Your Body. All Is Well brings together Louise's proven affirmation system with Mona Lisa's knowledge of both medical science and the body's intuition to create an easy-to-follow guide for health and well-being. And, for the first time ever, they present scientific evidence showing the undeniable link between the mind and body that makes these healing methods work. Bringing focus and clarity to the effects of emotions on the body, All Is Well separates the body into seven distinct groups of organs—or emotional centers—that are connected by their relationship to certain emotions. Structured around these emotional centers, the authors outline common imbalances and probable mental causes for physical illness. They also include case studies that show a complete program for healing that draws from all disciplines, including both traditional and alternative medicine,

affirmations, nutritional changes, and so much more. Using the self-assessment quiz, the holistic health advice, and an expanded version of Louise's original affirmation chart, you can learn how to heal your mind and body with affirmations and intuition and live a balanced, healthy life.

Celtic designs and motifs provide wonderful insight into Celtic spirituality. This book aims to make the deeply spiritual symbolism of Celtic artwork more accessible and potentially life-enriching for you by presenting meaningful combinations of key Celtic patterns and motifs in 32 attractive and thought-provoking mandalas for you to colour in. A short introduction, illustrated in full-color, explains some of the fundamentals of Celtic symbolism. This not only gives you deeper insight into ancient Celtic ways but will also help you to get the most from the guided meditations given with the mandalas themselves. The designs include the Endless Knot, the Salmon of Wisdom, the Tree of Life and the Seven Spirals. At the back of the book is a visual directory of Celtic iconography in full color.

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Whether it's the loveless marriage, family frustrations, the dead-end job, or all the other stressors that result in a health issue that won't go away, most people have some prototypical problem that has caused them to get stuck in a rut and feel lost and confused. . . . And in just about every city or town, you can find a psychic advisor who will offer to advise you about these topics . . . often for a hefty sum of money. But these types of "fortune tellers" give you only limited advice—more like a weather report. They tell you if things will get better or get worse, whether the boyfriend or girlfriend you just broke up with come back, whether that check you've been waiting for will be in the mail, or whether your loved one's health will improve. All that's left is for you to go home and wait for things to happen. Well, there must be a better way to learn how to deal with issues that affect your health . . . and there is! In this enlightening book, Mona Lisa Schulz, M.D., Ph.D., shows you how to combine intuition with intelligence to solve your most pressing health problems. But she's not your run-of-the-mill intuitive. Described as a psychic doctor with humor, solutions, and credentials, Dr. Mona Lisa gives you no-nonsense, grounded, practical, in-your-face solutions on how to fix the relationship, or job/family/physical/emotional problem. She also explains how to deal with many ailments that affect your well-being, including fatigue, allergies, skin problems, weight, digestion, depression, anxiety, and much more. By mastering the "7 Rules for Intuitive Health," you can learn to intuitively conquer pain and suffering and create a life filled with health and happiness.

Viewed as the key to self-knowledge and inner peace in Eastern traditions, a mandala is a symbolic spiritual image which, when meditated on, can bring about profound transformation. Featuring imagery from a range of spiritual and religious traditions, as well as from the natural world, this wonderful book offers a superb collection of black and white mandala artworks for you to colour in, plus guided meditations for every image, and a further section of basic line templates for you to create your own mandala designs.

Drawings from the Gulag consists of 130 drawings by Danzig Baldaev describing the history, horror and peculiarities of the Gulag system from its inception in 1918. Baldaev's father, a respected ethnographer, taught him techniques to record the tattoos of criminals in St Petersburg's notorious Kresty prison, where he worked as a guard. He was reported to the KGB who unexpectedly supported his work, allowing him the opportunity to travel across the former USSR. Witnessing scenes of everyday life in the Gulag, he chronicled this previously closed world from both sides of the wire. With every vignette, Baldaev brings the characters he depicts to vivid life: from the lowest zek (inmate) to the most violent tattooed vor (thief), all the practices and inhabitants of the Gulag system are depicted here in incredible, and often shocking, detail. In documenting the attitude of the authorities to those imprisoned, and the transformation of those citizens into survivors or victims of the Gulag system, this 'graphic novel' vividly depicts methods of torture and mass murder undertaken by the administration, as well as the atrocities committed by criminals on their fellow inmates.

Tying on case studies from late antiquity to the 21st century, this is the first volume that systematically explores the inter-relationship between fictional narratives about magic and the real-world ritual art of practicing magicians.

I want to thank you and congratulate you for checking out the "Spells For Beginners: Top 30 Wiccan Beginners Spells Guide". This book contains proven steps and strategies on how you can make use of different Wiccan spells to help you improve your current state of life. From boosting your financial luck and making you more appealing when it comes to love, there are many different ways through which these spells can be utilized.
