Accused of murdering her child, a suspected sufferer of Munchausen syndrome by proxy seeks help from Southern private eye Lena Padget, in this riveting thriller. Lena Padget has dedicated her life to helping women in trouble, but she ' s never dealt with a case as desperate and complex as that of Emma Marsden, who recently lost her infant son to a fatal liver ailment. The pediatrician who treated the child has accused the devastated mother of poisoning her son. Dr. Theodore Tundridge firmly believes that the tragedy was the result of Munchausen syndrome by proxy, which can cause sufferers to inflict harm on others to draw attention to themselves. Now Emma is terrified that Children and Family Services will take her teenage daughter away from her. Lena ' s search for the truth leads her into the dark, shadowy regions of the medical establishment—where a nightmare of unethical science may be unfolding behind the doors of Dr. Tundridge ' s hospital pathology laboratory—and into troubling areas of her enigmatic client ' s psyche. What initially appeared to be a case of medical malpractice and character assassination suddenly takes a sharp and dangerously unexpected turn, setting Lena on a race to untangle a twisted web of secrets before more children die. Shamus Award – winning author Lynn Hightower delivers a must-read for fans of Karin Slaughter, Laura Lippman, and Marcia Muller—a powerful story of

Where To Download Bmw Z3 Roadster Doents Free

medicine, motherhood, and madness that will stay with the reader long after the mystery ' s surprising denouement. When Secrets Die is the 3rd book in the Lena Padget Mysteries, but you may enjoy reading the series in any order.

Southern PI Lena Padget ' s hunt for a missing coed leads her into a deadly mystery born in the fires of the ATF ' s Branch Davidian siege in Waco, Texas. Though still haunted by ghosts from her past, Lena Padget has made a good life for herself in Lexington, Kentucky, as a private eye specializing in cases involving abused women and children. But Lena ' s latest case threatens her romantic relationship with her live-in lover, police detective Lt. Joel Mendez. Hired by the family of college student Cheryl Dunkirk, who disappeared while serving as an intern for the US Department of Alcohol, Tobacco, and Firearms, Lena is working the same missing person ' s case that Joel is officially exploring—albeit from a different angle. But Cheryl ' s fate may be linked to a series of mysterious deaths of ATF agents who were involved in the disastrous raid on the Branch Davidian cult ' s complex, and Joel and Lena ' s personal issues will have to be put aside when an ice-cold serial killer ' s insatiable hunger for blood turns their professional competition into something deadly. Fortunes of the Dead chronicles PI Lena Padget ' s second gripping excursion into the darkest corners of human experience. A story of blind rage, vengeance, madness, and murder that crackles with suspense, it will appeal to readers of Karin Slaughter and Laura Lippmann. Fortunes of the Dead is the 2nd book in the Lena Padget Mysteries, but you may enjoy reading the series in any order.
