What is most important to me? What do I want to be remembered for? If my life were absolutely perfect, what would it look like? Buford fills Halftime with a blend of personal insight, true-life examples, and quotes from those who have successfully navigated the exhilarating and

Author Bob Buford called them “code breakers”. They are people age 40 and older who have pioneered the art of finishing well in these modern times, and who can teach us to do the same, starting today. Buford sought out 60 of these trailblazers—including Peter Drucker, Roger Staubach, Jim Collins, Ken Blanchard and Dallas Willard—and has recorded their lively conversations in these pages so that they can serve as “mentors in print” for all of us. “Twenty years from now,” Buford writes, “the rules for this second adulthood as a productive season of life may be better known. But for now, we’re out across the frontier breaking new ground.” Buford gives you a chance to sit at the feet of these pioneers and learn from them about Finishing Well so that you may shift into a far more fulfilling life now, no matter your age. A life of significance that will be a legacy for future generations too.

Success Is Great. But Significance Is Lasting. You’ve achieved a measure of success in the first half of life, and it’s been a thrill. But deep in your heart, you want your second half to count for something far more. Something bigger than you. Significance. You’re not alone; you’re in “Halftime.” You want to discover where your deepest passions intersect with your greatest abilities and harness them to help change the world. But what does significance look like? How do you attain it? What will it cost you? What if you are not yet financially independent? Who can help you make sense out of this stage of life? Lloyd Reeb knows how it is. He’s wrestled with the same questions—and found answers. In *From Success to Significance*, he unfolds a blueprint that has helped thousands of men and women redefine success and infuse their lives with eternal significance. Adapt Reeb’s approach to your circumstances and, with God’s help, put it in motion. It works, and it will work for you. Discover God’s unique purpose for your life. Your talents, your drives, and everything you are will make sense in a new way and have an impact you’ve never dreamed of. Go ahead, start dreaming. Because significance is within your reach, and it starts by finding the freedom to dream. “Many people measure their success by wealth, recognition, power, and status. There’s nothing wrong with those, but if that’s all you’re focused on, you’re missing the boat. Lloyd Reeb shows that if you focus on significance—using your time and talent to serve others—that’s when truly meaningful success can come your way.”

A personal guide for implementing the principles of "Halftime," and thus making the journey from success to significance.

Since the release of *Halftime* in 1994, more than 150,000 people have purchased that book and begun a journey from success to significance. In a way that no one could have predicted, *Halftime* started a widespread movement viewing midlife as an opportunity rather than a crisis. It helped men and women between the ages of 35 and 50 realize they may have another thirty years of active, vibrant living ahead of them. And, according to author Buford, retirement is not the optimal option. But now, many of the people who began the journey from success to significance have found themselves sidetracked, stuck in the middle of their transition. *Stuck in Halftime* coaches readers how to get past the barriers that stand in their way to maturity and fulfillment. It outlines eight "myths of halftime" and explains the new set of rules for this second half of life's journey. Combining practical guidance with personal stories of people who have become "unstuck," *Stuck in Halftime* renews the vision and determination of those who heard the "still, small voice of God" calling them to a life of significance.
