Description The best-selling Complete Biology for Cambridge IGCSE Student Book is trusted by teachers around the world to support understanding and achievement. The popular, stretching approach will help students reach their full potential through gradual knowledge and skill development.

Offers complete in-depth preparation for the Cambridge IGCSE in English as a Second Language (E2L) examination. The revised edition of this highly successful course offers complete preparation for all papers of the Cambridge IGCSE in English as a Second Language examination. The book is endorsed by Cambridge for use with the revised syllabus. Key features include: stimulating topics, international in perspective and relevant to IGCSE students educational needs and interests; step-by-step development of the four skills to build confidence and competence; particular attention to developing a mature writing style with a focus on tone, register and audience awareness; exercises in grammar, vocabulary and spelling.

An expert dual approach - with David Rayner injecting his well-known rigour and exact match to the Cambridge IGCSE(R) (0607) specification, plus IB Maths specialist Jim Fensom incorporating the enrichment and IB-focus needed for success in future IB study. The resource is fully up-to-date and matched to the latest Cambridge syllabus. It provides thorough exam support with a practice-based approach and plenty of worked examples to reinforce understanding. Free online access to resources focused on building assessment confidence, with revision help and a whole suite of past exam papers. This resource offers just the right amount of rigour for Cambridge IGCSE International Mathematics and is specially tailored for IB preparation, with integrated graphics calculator guidance providing invaluable support. A solid foundation which will sufficiently challenge students to hit the ground running in IB Maths.

Exam Board: Cambridge International Examinations Collins is working with Cambridge International Examinations towards endorsement of this title. * Revised and updated to support the 2020 syllabus and examination formats. * Show students how to progress with a clear Student Book structure that moves from building key reading, writing and technical skills to applying these skills to specific question types and coursework tasks. * Help students to make progress with regular 'Check your progress' checklists and annotated sample answers to exemplify how to do well. * Prepare students for examination success with sample questions at the end of each chapter and two complete practice papers at the end of the book. Detailed guidance and annotated sample answers in the Teacher Guide help you and your classes to make the most of the practice examination papers in the Student Book. * Build confidence in speaking and listening with clear guidance, activities and exemplification of the presentation and discussion tasks. * Save time on planning and preparation with expert support from Julia Burchell, an experienced examiner and trainer

Cambridge IGCSE Geography Revision Guide has been designed specifically to meet the requirements of Cambridge IGCSE Geography syllabus (0460). It has been written to help students prepare for the Cambridge IGCSE Geography examination. The book instills confidence by improving the students' understanding of key concepts and adds focus to their revision.

Prepare for the Cambridge IGCSE in Drama 2016 syllabus with an approach that helps to create a varied, stimulating and enjoyable learning environment that enables students of different confidence and ability levels to flourish. * Be ready to teach the new syllabus (for first examination in June 2016) with this brand new series which has been fully matched to the Cambridge IGCSE® Drama syllabus. * Have full confidence in the content and approach of the series which is written by a team of highly experienced authors, who have over 20 years of teaching experience. * Enable students to learn a range of skills, such as how to build their self-awareness and how to reflect on their performance. This will build their knowledge and self-confidence, which extends beyond the course itself and helps equip them for life. * Know that the series has an international feel in terms of both language used within the text, and plays, scenarios and contexts selected. * Make use of the excellent supporting components of the series which include a range of exciting and engaging scripts from real plays, role plays for warm ups, examples of stimuli for Devised pieces, and still images from productions which show key elements from performances. * Help students monitor their learning using the 'Learning Log' and 'Check your progress' features, where students review, record and evaluate their work.

Collins IGCSE Spanish as a Foreign Language provides comprehensive coverage of the Cambridge IGCSE Spanish (0530) syllabus. With a clear structure and engaging content, the Student's Book has been carefully planned around topic-based units so that language learning and skills development can be taught in real-world contexts. All four skills (reading, writing, listening and speaking) are fully covered in a skills-based communicative approach. Content is relevant to the age group and so provides engaging and motivating learning opportunities in real-world contexts. All topics, grammar and vocabulary are mapped to the syllabus, with clear learning objectives highlighted for each section of each unit. Units follow a carefully planned, consistent structure allowing for reinforcement and progression at every stage. The course caters for all levels of ability, including the needs of students with less experience of Spanish or those who need more support. Each unit starts with a Listo page to allow for revision and consolidation of earlier language learning. An Introductory unit also serves as a language refresher as

well as being specifically designed to engage and enthuse students at the start of the course. The Student's Book also offers opportunities for those looking for an extra level of challenge, with activities included to stretch higher-ability students. The layout of the book is clear and accessible, with boxed features highlighting key points of grammar, vocabulary or suggestions for taking things further. A checklist towards the end of the unit encourages students to reflect on their progress, and is followed by a useful vocabulary section for ease of reference. Each unit also includes an "El Mundo hispanohablante" spread which offers stimulating, thought-provoking and enjoyable insights into the culture and society of Hispanophone countries. Opportunity for practice, consolidation and revision is provided throughout the course, with exam-style questions in Listening and Reading included to help students develop their skills for success. Audio files are available as a free download from the Collins website for listening comprehension exercises and development of oral fluency. This resource supports both the IGCSE Spanish (0530) and IGCSE (9-1) 7160 syllabuses. Collins is working with Cambridge Assessment International Education for endorsement of this title to support the full syllabus for first teaching from 2019 and first examination from 2021.

Cambridge IGCSE & International Certificate: Spanish is written to the latest Cambridge International Examinations syllabus. Contact your education consultant for information about the Teacher Guide & Audio CD, and Workbook.

This title is endorsed by Cambridge Assessment International Education to support the full syllabus for examination from 2021. Strengthen language skills and cultural awareness with a differentiated approach that offers comprehensive coverage of the revised Cambridge IGCSE Italian (0535/7164) syllabuses for first examination from 2021. - Develop the cultural awareness at the heart of the syllabus with engaging stimulus material and questions from around the world which will encourage a positive attitude towards other cultures - Progress the ability to use the language effectively with activities.

Skills-building support and exam preparation, all in one book! Fully matched to the 2013 and 2015 syllabuses (both 0510 and 0511). Help students achieve exam success with skills-building activities, organised by topic, and comprehensive exam preparation for every Core and Extended paper and activity. • Topic-based coursebook chapters and task-based exam preparation chapters in one volume • Engaging topics comprise Technology, Exploration, Health, Education, Competition, Work, The Environment, Culture and Society, Transport, Fashion, Entertainment, Young and Old • Includes CD-Rom with audio files for speaking and listening activities and exam preparation

Supporting understanding for the latest Cambridge IGCSE Biology syllabus (0610), the clear, concise approach in the Student Book will support your EAL learners in understanding crucial scientific concepts. A step-by-step approach with comprehensive syllabus coverage will help every learner reach their potential in science. The Essential Biology for Cambridge IGCSE Workbook is comprehensively matched to the latest Cambridge syllabus to support students in their IGCSE exams. With plenty of activities for independent practice to reinforce and enhance vital skills, students can approach their exams with confidence. Language lab activities on each page provide students with further support in scientific language needed for exam success. Together these resources will maximise exam potential in students' IGCSE exams.
