Matching who you are with what you do may seem like common sense--but the sad truth is that most people don't have jobs that truly complement their personalities. Career Match takes you through a simple but revealing ten-minute self-assessment quiz to help you identify your specific personality type, then helps you: - identify the type of work that will inspire and exhilarate you - determine the kind of boss and work environment you need to thrive - confirm the rightness of the path you're on--or help you find a better one If the job you have doesn't leave you feeling exhilarated and inspire the kind of passion and satisfaction you deserve in your life, it's time to figure out which one will. Filled with detailed explanations of career options, and inspiring real-life stories of people who have found fulfillment in work that suits their personality, Career Match will show you how to find your true path to success. "My advice for career-flounders varies, but I generally suggest they start by reading a time-tested career-advice book such as the latest edition of What Color Is Your Parachute? by Richard N. Bolles or I Could Do Anything If I Only Knew What It Was: How to Discover What You Really Want and How to Get It by Barbara Sher with Barbara Smith. I'm adding to that list another classic career-advice book that I happened to just finish reading, Career Match: Connecting Who You Are with What You'll Love to Do by Shoya Zichy with Ann Bidou." --Career Coach, Pittsburgh Tribune Review "Looking for a pithy, upbeat, useful career book? Career Match is it--fun to read, insightful and informative! If you want to find a career that fuels the best parts of yourself, this book is for you!" --Dr. Pamela K. Gardner, Director of Career Services, University of Vermont "The right career path will bring passion to your job and your life. Look inside yourself and discover the best fit for your unique personality type." --Jim Donald, President and CEO, Starbucks Coffee Company "A groundbreaking way of finding the right job. Any teacher who wants to guide students toward a satisfying career should make this required reading." --Frank McCourt, author of Angela's Ashes and Teacher Man Shoya Zichy is a career coach with a Master's in Education and Counseling, and is past president of the Myers-Briggs Association of New York. How has your answer changed since childhood to the often-asked question "What do you want to be when you grow up?" For most, the answers tend to begin with excited seven-year-olds confidently and excitedly screaming out things like, "A basketball player!" or "A fireman!" or "A cook!" and then ten to fifteen years later those same kids are shrugging their shoulders while saying, "Not sure. Maybe something in accounting?"What happened? (Besides only growing to five foot eight and not being able to even reach the net when you jump.) When did we lose the courage to find our true calling and not just settle for what make sense in today's workforce, or what our parents pushed us toward? Career Courage is meant to help you conquer your fears, shed misguided ideas, and muster the strength to let go of a safe job and stage your next act. Whether you're a college grad contemplating choices, a seasoned professional seeking new directions, or a stay-at-home mom preparing to reenter the workplace, this invaluable guide book poses tough questions about motivation, confidence, character, risk tolerance, and more. The answers will power your journey forward as you learn to:· Clarify what really matters· Express your point of view· Build strong relationships and a robust network· Think like an entrepreneur· Prioritize a truly fulfilling life· And more!Starting or changing careers can be a scary, soul-searching process. Career Courage will give you the strength and guidance you need to break free from your fears and find fulfillment in the workforce.

Your Career Game demonstrates how game theory can help readers to understand and proactively take charge of their career strategy. Authors Nathan Bennett and Stephen A. Miles teach readers to manage the interdependencies and interconnectedness among coworkers, managers, and others in a manner that supports personal career efforts. Then, they show how readers can become better players. The key to learning how to play the career game is "career agility"--in short, nimble individuals are better game players. This book includes conversations with a wide range of successful professionals such as Ursula Burns (Xerox), Stephen Elop (Microsoft), Marius Kloppers (BHP Billiton), Ken Frazier (Merck), and Liz McCartney (The St. Bernard Project), and discusses how their career moves demonstrate elements of a game theory approach to career management. This is a must-read strategic guide for anyone who seeks to advance their career and navigate today's job market.
