The Certification Process. The CBCP level of certification is for individuals who have demonstrated knowledge and working experience in the business continuity/disaster recovery industry. The level requires more than two (2) years of experience. Applicants must be able to demonstrate specific and practical experience in five (5) of the subject matter areas of the Professional Practices.

Note: This guide has been revised to remove obviously outdated material and to update the document with program changes that have been made since 1998. A completely revised study guide will be produced after the current Exam Committee completes the revision to the BJCP Exam. — Gordon Strong, March 2006. RECOMMENDED READING
