Chinese Opera Costumes Paper Dolls - Pinterest

Splendid collection of 2 figures and 16 dazzling costumes designed for traditional characters in Chinese opera. Lavishly embroidered robes, elegant headdresses, and painted faces for male and female characters.

The Chinese opera is anything but boring. Songs, acrobatics, acting, and costumes make the opera a truly spectacular show to behold. Spending a summer backstage at his father ' s Chinese opera, a young boy is instantly enamored with the performers and works hard to be a part of the show. Rehearsing the moves day and night with the show ' s famous choreographer, the boy thinks he is soon ready to perform with the others. But the choreographer doesn ' t agree. In fact, he laughs at the boy when asked to join the others in the acrobatics part of the opera. Upset, the boy runs home to sulk. What will he do next? Will he give up, or will he persevere and work his way up in the show? In an exotic and intriguing story that draws on author Rich Lo ' s personal life, and features his own bright, mesmerizing illustrations, Father ' s Chinese Opera teaches children about hard work, patience, and the commitment needed to achieve an important goal, while introducing them to an important part of Chinese culture. Preschool-aged children will be drawn to the bright, vibrant illustrations and the main character's determined spirit, while parents and educators will love the author's note in the back about the history of the Chinese opera and the author's father's experiences in it. This will give parents and educators something to discuss with children and help them expose kids to a different and rich culture. The theme of never giving up and practices makes perfect will be sure to inspire kids to work hard for their dreams. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Children and anyone intrigued by Chinese culture will be delighted with this petite miss from the mainland. Little Mei-Mei can be dressed in a colorful peel-and-apply sticker wardrobe of traditional Chinese clothing that includes the authentic apparel of young Tibetan and Mongolian ladies, intricately embroidered trousers and jacket, elegant wear for attending functions at the royal court, and a New Year's costume. 28 full-color stickers.

54 folktales, myths, legends, and popular tales from China.

Chinese Opera Costumes Paper Dolls - Pinterest

Explore many generations of Chinese-American history with this captivating collection of 5 paper dolls and 26 costumes for male and female dolls of all ages. Included are outfits for work, leisure, and formal occasions and a play scene on inside covers.

Chinese Opera Costumes Paper Dolls - Pinterest

Paper dolls might seem the height of simplicity—quaint but simple toys, nothing more. But through the centuries paper figures have reflected religious and political beliefs, notions of womanhood, motherhood and family, the dictates of fashion, approaches to education, individual self-image and self-esteem, and ideas about death. This book examines paper dolls and their symbolism—from icons made by priests in ancient China to printable Kim Kardashians on the Internet—to show how these ephemeral objects have an enduring and sometimes surprising presence in history and culture.

Ludvig Holberg is the most important man of letters in eighteenth-century Denmark-Norway and is often referred to as the father of Danish and Norwegian Literature, the Moli è re of the North, the founder of Scandinavian drama, or even as the first Scandinavian feminist. In all his writings - apart from being a dramatist in his own right - he excelled as a satirist, historian and essayist, Holberg is a true child of the Enlightenment advocating tolerance and moderation. At the same time, however, he transgressed its parameters. He introduced a series of classical genres but also violated their rules; he generally supported absolute monarchy but criticized its deficiencies, sometimes with subtlety, sometimes openly and relentlessly when, for instance, aiming his satire at the outdated educational system. Above all, Holberg was a towering cosmopolitan figure in eighteenth-century intellectual life, extremely well-read not only in the classics but also in contemporary literature. Furthermore, he was one of the most avid travelers of his time. He saw himself foremost as a European writer, attacking provincialism and narrow-mindedness wherever he encountered it. Holberg was strongly influenced by the European intellectual tradition and, in return also impacted literary trends abroad. This volume, written by experts from various countries, attempts to place Holberg in this international context. It highlights both the European influence on him and the influence he exerted in his own time as well as the fascination he holds to this very day because of his probing, critical mind, complex personality and, above all, because of the purely artistic quality and modernity found particularly in his immortal comedies.
