Cold Blood is the fifth book in the Erika Foster series but works easily as a stand alone as the author ensures he gives the reader enough information to make sure they don't feel like they are missing out on anything. As always the author had me from the gripping and intriguing start and didn't let me go until the emotional ending.

"When a battered suitcase containing the dismembered body of a young man washes up on the shore of the river Thames, Detective Erika Foster is shocked. She's worked on some terrifying cases but never seen anything like this before. As Erika and her team set to work, she makes the link with another victim--the body of a young woman dumped in an identical suitcase two weeks ago"--Amazon.com.

‘ OMG what a story ... you seriously need to read this one. I devoured this in one sitting, it is certainly one pulse-racing, nail-biting, gritty read ... I thought my heart was going to explode ... will definitely keep you on the edge of your seat from start to finish. ’ Chelle ’ s Book Reviews The suitcase was badly rusted, and took Erika several attempts, but it yielded and sagged open as she unzipped it. Nothing could prepare her for what she would find inside... When a battered suitcase containing the dismembered body of a young man washes up on the shore of the river Thames, Detective Erika Foster is shocked. But it ’ s not the first time she ’ s seen such a brutal murder... Two weeks earlier, the body of a young woman was found dumped in an identical suitcase. What connects the two victims? As Erika and her team set to work, they quickly realise they are on the trail of a serial killer who has already made their next move. Yet just as Erika starts to make headway with the investigation, she is the target of a violent attack. Forced to recover at home, and with her personal life falling apart, everything is stacked against her, but nothing will stop Erika. As the body count rises, the case takes an even more twisted turn when the twin daughters of Erika ’ s colleague, Commander Marsh, are suddenly put in terrible jeopardy. The stakes are higher than ever before, but can Erika save the lives of two innocent children before it ’ s too late? She ’ s running out of time and about to make a disturbing discovery...there ’ s more than one killer. Brilliantly gripping, Cold Blood will have you hooked from the first page and holding your breath to the heart-stopping and shocking ending. Read what everyone is saying about Cold Blood:

Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library ' s new set of beautifully repackaged hardcover classics by Truman Capote—also available are Breakfast at Tiffany ' s and Other Voices, Other Rooms (in one volume), Portraits and Observations, and The Complete Stories Truman Capote ' s masterpiece, In Cold Blood, created a sensation when it was first published, serially, in The New Yorker in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the " new journalism. " Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. " I thought he was a very nice gentleman, " he says of Herb Clutter. " Soft-spoken. I thought so right up to the moment I cut his throat. " Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers ' flight, Capote ' s account is so detailed that the reader comes to feel almost like a participant in the events.

Beneath the water the body sank rapidly. Above her on dry land, the nightmare was just beginning. When Detective Erika Foster receives a tip-off that key evidence for a major narcotics case was stashed in a disused quarry on the outskirts of London, she orders for it to be searched. From the thick sludge the drugs are recovered, but so is the skeleton of a young child. The remains are quickly identified as seven-year-old Jessica Collins. The missing girl who made headline news twenty-six years ago. As Erika tries to piece together new evidence with the old, she must dig deeper and find out more about the fractured Collins family and the original detective, Amanda Baker. A woman plagued by her failure to find Jessica. Erika soon realises this is going to be one of the most complex and demanding cases she has ever taken on. Is the suspect someone close to home? Someone is keeping secrets. Someone who doesn't want this case solved. And they'll do anything to stop Erika from finding the truth.

Three totally gripping crime thrillers from USA Today and Wall Street Journal bestselling author Robert Bryndza. Detective Erika Foster is fearless, respected, unstoppable, and she will catch a killer, whatever it takes. *Last Breath*: He's your perfect date. You're his next victim. When the tortured body of a young woman is found in a dumpster, her eyes swollen shut and her clothes soaked with blood, Detective Erika Foster is one of the first at the crime scene. She quickly finds a link to the unsolved murder of a woman four months earlier. Dumped in a similar location, both women have identical wounds – a fatal incision to their femoral artery. Stalking his victims online, the killer is preying on young pretty women using a fake identity. How will Erika catch a murderer who doesn't seem to exist? Then another girl is abducted while waiting for a date. Erika and her team must get to her before she becomes another dead victim, and, come face to face with a terrifyingly sadistic individual. *Cold Blood*: A gripping serial killer thriller that will take your breath away. When a battered suitcase containing the dismembered body of a young man washes up on the shore of the river Thames, Detective Erika Foster is shocked. Two weeks earlier, the body of a young woman was found dumped in an identical suitcase. What connects the two victims? As Erika and her team set to work, they quickly realise they are on the trail of a serial killer who has already made their next move. Yet just as Erika starts to make headway with the investigation, she is the target of a violent attack. The stakes are higher than ever before, but can Erika save the lives of two innocent children before it's too late? She's running out of time and about to make a disturbing discovery... there's more than one killer. *Deadly Secrets*: To commit the perfect murder, you need the perfect cover. On an icy morning, a mother wakes to find her daughter's blood-soaked body frozen to the road. Who would carry out such a killing on the victim's doorstep? Straight off her last harrowing case, Detective Erika Foster is feeling fragile but determined to lead the investigation. As she sets to work, she finds reports of assaults in the same quiet South London suburb where the woman was killed. One chilling detail links them to the murder victim – they were all attacked by a figure in black wearing a gas mask. Erika is on the hunt for a killer with a terrifying calling card. Yet just as Erika begins to piece the clues together, she is forced to confront painful memories of her past. Erika must dig deep, stay focused and find the killer. Only this time, one of her own is in terrible danger... Read what everyone is saying about the Detective Erika Foster series: ' [Last Breath] is the sort of book that you want to devour in one sitting, it's too good to put down. The characters crackle with energy and the chemistry between them is fantastic to read... A breath-taking addition to the series that I would thoroughly recommend!
