Sharing Leadership ...

One way that members understand of the idea of communicating in groups and teams is when they experience a sense of cohesiveness with other members of the group. When we feel like we are part of something larger, we experience a sense of cohesion or wholeness, and may find a purpose that is bigger than our own individual desires and goals.

How To Communicate With Your
Team More Effectively | Inc.com

To communicate effectively within groups and teams, we must understand our relationships with other members and how those relationships influence the tasks and activities that the groups and teams undertake.

Communicating in Groups, Third Edition, emphasizes that all groups--decision-making and social--require members to successfully convey both relational and task messages. Author Joann Keyton points to the five key elements that define a group--size, interdependence, identity, goal, and ...
