Crossing the Chasm: Marketing and Selling Smart Products ...

In Crossing the Chasm, Geoffrey A. Moore shows that in the Technology Adoption Life Cycle—which begins with innovators and moves to early adopters, early majority, late majority, and laggards—there is a vast chasm between the early adopters and the early majority. While early adopters are willing to sacrifice for the advantage of being first, the early majority waits until they know that the technology actually offers improvements in productivity.
