The government has announced a change to the condition of funding surrounding English and maths GCSE resits for 2019-20. Students with a grade 3 (or D) will continue to be required to retake the qualification until they get a grade 4. As at present, students with a grade 2 or below can either take a GCSE or functional skills level 2 qualification.

December 2013 – Corbettmaths

Since 2013, all 16- to 19-year-olds without at least a C in GCSE maths or English have had to enrol in courses in these subjects alongside their main programme of study. The requirement was tightened in 2015 to require all of those with a grade D – now a 3 – in those subjects to sit a GCSE course, rather than an equivalent stepping-stone course such as functional skills.

Who will run the FE centres of excellence for maths?

organisations, further education (FE) providers and individual consultants. The UK qualitative review considered current challenges and best practices in post-16 vocational maths education across a range of providers, employers and maths specialists. Qualitative interviews (a mixture of face to face and
