The fun and easy way to repair anything and everything around the house For anyone who's ever been frustrated by repair shop rip-offs, this guide shows how to troubleshoot and fix a wide range of household appliances-lamps, vacuum cleaners, washers, dryers, dishwashers, garbage disposals, blenders, radios, televisions, and even computers. Packed with step-by-step illustrations and easy-to-follow instructions, it's a must-have money-saver for the half of all homeowners who undertake do-it-yourself projects.

Israel Salanter was one of the most original and influential Jewish leaders and thinkers of Eastern European Jewry in the modern period. One of Salanter's most striking innovations was the transformation of the issue of ethics from the domain of theology to the realm of psychology. Immanuel Etkes traces Salanter's unique view of Mussar doctrine, especially his introduction of modern psychology to the traditional understanding of personal ethical development.

Some of these personal stories from doulas about their shared birthing experiences will give you goosebumps. Inspiring and diverse stories are contained in this beautiful anthology. Highly recommended for anyone interested in childbirth and new doulas in particular.

A Twilight, Texas Novella Valentine's Day can be a real disaster ... even in a town like Twilight, Texas! These days, event planner Sesty Snow is no fan of hearts, flowers, or goo-goo eyes over dinner. She's learned to be in control of her life and her emotions. Still, running Twilight's annual Valentine's Day bachelor auction is right up her alley—until her high school sweetheart zooms back into town. He's still heart-stoppingly handsome, but it's clear he hasn't changed the daredevil ways that put the brakes on their first love. Injured NASCAR driver Josh Langtree isn't up for being anyone's sweetheart these days either. He's just looking for a place to lick his wounds ... until a misunderstanding lands him doing community service in Sesty's auction. Soon he finds himself standing in front of hundreds of screaming women—wearing a tux and a smile. And then there's Sesty—looking as tempting as ever. He says he's changed, and the sparks between them are flying fast and furious, but can Sesty trust Josh to take the wheel and drive her into the future she never dreamed possible?

An entirely new translation of Magna Carta, combined with an analysis of its importance in the modern world.

The markets have evolved at breakneck speed during the past decade, and change has accelerated dramatically since 2007's disastrous regulatory "reforms." An unrelenting focus on technology, hyper-short-term trading, speed, and volume has eclipsed sanity: markets have been hijacked by high-powered interests at the expense of investors and the entire capital-raising process. A small consortium of players is making billions by skimming and scalping unaware investors -- and, in so doing, they've transformed our markets from the world's envy into a barren wasteland of terror. Since these events began, Themis Trading's Joe Saluzzi and Sal Arluk have offered an unwavering voice of reasoned dissent. Their small brokerage has stood up against the hijackers in every venue: their daily writings are now followed by investors, regulators, the media, and "Main Street" investors worldwide. Saluzzi and Arluk don't take prisoners! Now, in Broken Markets, they explain how all this happened, who did it, what it means, and what's coming next. You'll understand the true implications of events ranging from the crash of 1987 to the "Flash Crash" -- and discover what it all means to you and your future. Warning: you will get angry (if you aren't already). But you'll know exactly why you're angry, who you're angry at, and what needs to be done!

A dynamic and hip collective biography that presents forty-four of America's greatest movers and shakers, from Frederick Douglass to Aretha Franklin to Barack Obama, written by ESPN's TheUndeatead.com and illustrated with dazzling portraits by Rob Ball. Meet forty-four of America's most impressive heroes in this collective biography of African American figures authored by the team at ESPN's TheUndeatead.com. From visionaries to entrepreneurs, athletes to activists, the Fierce 44 are beacons of brilliance, perseverance, and excellence. Each short biography is accompanied by a compelling portrait by Robert Ball, whose bright, graphic art pops off the page. Bringing household names like Serena Williams and Harriet Tubman together with lesser-known but highly deserving figures such as Robert Abbott and Dr. Charles Drew, this collection is a celebration of all that African Americans have achieved, despite everything they have had to overcome.

When her family's dry-cleaning business receives a shipment of private school uniforms, a series of mistakes leads Diana to assume the identity of a snooty student and attend a different school for a day. Original.
