Dirty Rocker Boys by Bobbie Brown - Goodreads
Some rocker boys are indeed dirty, but some are lovely, like with any group of people. It's an entertaining story for the most part but some of it is hard to read and feels like you're just watching her make the same mistakes over and over again and watching her take her experiences out on innocent chumps.

Dirty Rocker Boys: Love and Lust on the Sunset Strip eBook ...

Dirty Rocker Boys: Amazon.co.uk: Brown, Bobbie, Ryder ...

BOOK REVIEW: Dirty Rocker Boys - By: Bobbie Brown. The 80s metal scene was a big part of my life and countless others growing up. That was a time when MTV actually played music videos and the bands over-the-top appearances seemed a perfect marriage with short-form videos. It was out of this atmosphere that a gorgeous blonde bombshell by the name of Bobbie Brown rose to video infamy like a ... well, like the most perfectly formed cherry perched atop a slice of delicious cherry pie!

Dirty Rocker Boys is also, casually, an exploration of how power and fame corrupts men and reduces so many of their relationships to mere transactions. Style-wise, hair metal trafficked in...

In Dirty Rocker Boys, video vixen Bobbie Brown dishes the dirt

Dirty Rocker Boys also proves to be Brown's memoir of her life and struggles. She not only includes those dirty rocker boys, but also some very juicy reading of some very well-known names in and around Hollywood and the Sunset Strip. Love and Lust on the Sunset Strip more than appropriately fits the chapters in her book. "It was definitely a scene unlike none other.

[Amazon.com: Customer reviews: Dirty Rocker Boys](#)

A trashy page turner filled with hot gossip and naughty stories about some of the 80's and 90's bad boy rockers. Dirty Rocker Boys takes you on a drug addled ride down the Sunset Strip, with Bobbie Brown as a surprisingly funny and cynical narrator. It is pure entertainment, not serious literature!

No man was off limits as the fun-loving bombshell spiraled into excess, anger, and addiction. Bobbie survived the party - barely - and her riveting, cautionary comeback tale is filled with the wildest stories of sex, drugs, and rock and roll ever told. ©2013 Bobbie Jean Brown (P)2014 Audible Inc. What listeners say about Dirty Rocker Boys

Dirty Rocker Boys Audiobook | Bobbie Brown | Audible.co.uk

What was one of the most memorable moments of Dirty Rocker Boys? Bobbie is so transparent in this book that you can really get a feel of the ups and downs in her life. She is also careful to tell her story from her perspective. Others are discussed in detail but she doesn't really speculate on their story as much as her perspective and experience.

Warrant's infamous music video? Bobbie Brown became a bona fide vixen for her playful role as the object of lead singer Jani Lane's desires. But the wide-eyed Louisiana beauty queen's own dreams of making it big in Los Angeles were about to be derailed by her rock-and-roll lifestyle. After her tumultuous marriage to Jani imploded, and her engagement to fast-living Mötley Crüe drummer Tommy Lee ended in a drug haze—followed by his marriage later to Pamela Anderson—Bobbie decided it was time Hollywood's hottest bachelors got a taste of their own medicine. Step one: get high. Step two: get even. In a captivating, completely uncensored confessional, Bobbie explicitly recounts a life among some of the most famous men in Hollywood: Leonardo DiCaprio, Kevin Costner, Mark McGrath, Dave Navarro, Sebastian Bach, Ashley Hamilton, Rob Pilatus of Milli Vanilli, Matthew and Gunnar Nelson, Orgy's Jay Gordon, and many more. No man was off limits as the fun-loving bombshell spiraled into excess, anger, and addiction. Bobbie survived the party—barely—and her riveting, cautionary comeback tale is filled with the wildest stories of sex, drugs, and rock and roll ever told.

stories of sex, drugs, and rock and roll ever told.

Life isn't easy when you're single, pushing 50, and still haunted by the ghosts of your rock 'n' roll past--but if anyone can find the funny in it, Sunset Strip video vixen Brown can. Hilarious, sweet, and bitingly honest, Cherry On Top reveals how one gorgeous, potty-mouthed blonde took back Hollywood in middle age, and embarked on a fresh search for love--one fart joke at a time.at a time.

I am Tommy Lee, born Thomas Lee Bass in Athens, Greece, on October 3, 1962, and raised in a suburb of California by an American father and a Greek mother. At seventeen, I joined Mötley Crüe and we became one of the baddest-ass rock bands in history. We sold over 40 million albums, we wreaked havoc, we scared parents, and we titillated too many fathers' daughters. I've been married three times: once for just a few days to a Penthouse Pet, for seven years to Heather Locklear, and then for five years to Pamela Anderson, with whom I have two beautiful sons. I've gotten into a lot of fights and I've been to jail a few times. But this book isn't your typical journey in a straight line from day one to day now. I'm more interested in revealing what's most important about my life, like how I cook my steaks; what I think of the tabloids, the

Bookmark File PDF Dirty Rocker Boys

truth, my ex-wives, my ex-band, my music; and what an innocent observer might find hanging around my house any given Sunday. You'll get plenty of facts and I'll tell you a story, but my real mission here is to paint you a picture of my life. I want to show you how my memories smell. I'd like to get into it now, so please take your seats. I advise you to keep your arms and legs inside the car at all times. If you have a pacemaker, a heart condition, or if you are pregnant or too damn short to reach the safety bar, I ask that you turn back immediately. Those with weak stomachs, strict morals, or chronic indigestion should put the book down now. For the rest of you, there's one truth that's real across the board: What you send out is what you get back. Send out the good, people, and it will come back to you. There's another thing I've learned over the years, in court, in fights, and in arguments with people I love: There isn't one truth, there are many. This book is my truth. NOTE: THE EBOOK DOES NOT INCLUDE PHOTOGRAPHS THAT APPEAR IN THE PRINT EDITIONS.

NOW A NETFLIX ORIGINAL MOVIE STARRING MACHINE GUN KELLY, DANIEL WEBBER, DOUGLAS BOOTH, AND IWAN RHEON, DIRECTED BY JEFF TREMAINE. Celebrate thirty years of the world's most notorious rock band with the deluxe collectors' edition of The Dirt—the outrageous, legendary, no-holds-barred autobiography of Mötley Crüe. Fans have

Bookmark File PDF Dirty Rocker Boys

gotten glimpses into the band's crazy world of backstage scandals, celebrity love affairs, rollercoaster drug addictions, and immortal music in Mötley Crüe books like Tommyland and The Heroin Diaries, but now the full spectrum of sin and success by Tommy Lee, Nikki Sixx, Vince Neil, and Mick Mars is an open book in The Dirt. Even fans already familiar with earlier editions of the bestselling exposé will treasure this gorgeous deluxe edition. Joe Levy at Rolling Stone calls The Dirt "without a doubt . . . the most detailed account of the awesome pleasures and perils of rock & roll stardom I have ever read. It is completely compelling and utterly revolting."

Updated to include the escapades of the last 16 years of the "queen of the groupies," this rollicking, piquant, and sometimes heartbreaking follow-up to "I'm With the Band" documents Pamela Des Barres' struggles with postmodern marriage and motherhood. Covering the middle-passage years of the baby-boom generation, this biography portrays a hilarious, inspiring tussle with life's adventures and adversities, from acting with Sylvester Stallone and dancing with Bob Dylan to making ends meet by rooming with struggling celebrities and selling cosmetics. For all its famous names and insider lore, this is a survivor's story--about the anguish of coping with loved ones' addictions, suffering divorce and loss, and the joys and

terrors of raising a gifted son--told with grace, charm, and a generous sense of humor.

At nineteen, Ashley Fiolek is already the top female competitor in a tough men's sport: motocross, a form of off-road motorcycle racing that is one of the most competitive and dangerous extreme sports in the world. Since going pro in late 2007, Fiolek has taken gold at the X Games, won the American Women's Motocross Championship twice, and become the first woman in American motocross history to be signed to a factory team--the highest echelon of industry backing. But Fiolek's rise has not come without obstacles. Fiolek was born profoundly deaf, a handicap that makes everyday life difficult--and competition on the track downright dangerous. Originally misdiagnosed as "mildly retarded," she was a painfully shy and introverted child--until her parents introduced her to the world of dirt bikes, which helped her escape the silence in her head and connect with others who shared her passion. She began racing at seven, and as her successes grew through hard work and no small number of broken bones, so did her confidence. Fiolek has never believed her disability should stand in the way of her dreams. Nor has she allowed her gender to limit her career--motocross historically has been a men's sport, but with the love and support of her dirt-obsessed family, including her "Grandpa Motorcycle," her little brother,

Bookmark File PDF Dirty Rocker Boys

Kicker, and her dogs, Turbo and Rocco, Ashley has emerged as one of the sport's most talked-about stars, changing the way the entire industry views women. Armed with her extraordinary talent, contagious grin, and deep faith in God, Fiolek continues to venture into unknown territory, relentlessly pushing herself—and women's motocross—to ever-greater heights. *Kicking Up Dirt* is a remarkable, inspiring tale of a young woman's courage and determination to succeed in the face of truly challenging obstacles.

Presents biographies of twenty-four rock groupies in their own words, including Tura Satana, Miss Mercy, Cynthia Plaster Caster, and Miss B.

Like many twenty-one year olds, Star Wood Leigh works two jobs to make ends meet: the day shift at Talon's Nail and Tan Spa, and the night shift at Mother Pearl's Steak & Oyster Emporium. The archetypal tomboy, at home in jeans and a T-shirt, Star is guileless and beguiling, a fresh-faced beauty who knows that too much of a good thing is wonderful. A loving daughter, a good friend and a faithful girlfriend, this Florida girl gets more than her fair share of sun and fun. And then an innocent evening at a football game sets off a chain of life-altering events. One minute Star is cleaning the tanning beds at Talon's, and the next she's being primped and prodded in preparation for

Bookmark File PDF Dirty Rocker Boys

the front cover of a national magazine... Playful, bawdy and curl-your-toes sexy, STAR is an insider's look at a world of inflated egos and inflated bodies. Going far beyond the cliched air-kisses and casting couches of Hollywood, STAR shows what really happens when A-list meets D-cup, when girl becomes goddess.
