Changing to the new Directive should not be too difficult for manufacturers and furthermore EC-type-examination certificates which have been issued under the current ATEX Directive (94/9/EC) will be valid under the new Directive (2014/34/EU). Please note: EC-type-examination certificates are NOT the same as EU Declarations of Conformity which, if issued under the ATEX Directive, will cease to be valid when the current ATEX Directive (94/9/EC) is repealed on 20 th April 2016.
