This textbook will help you learn all the skills you need to pass all Vehicle Electrical and Electronic Systems courses and qualifications. As electrical and electronic systems become increasingly more complex and fundamental to the workings of modern vehicles, understanding these systems is essential for automotive technicians. For students new to the subject, this book will help to develop this knowledge, but will also assist experienced technicians in keeping up with recent technological advances. This new edition includes information on developments in pass-through technology, multiplexing, and engine control systems. In full colour and covering the latest course specifications, this is the guide that no student enrolled on an automotive maintenance and repair course should be without. Designed to make learning easier, this book contains: Photographs, flow charts, quick reference tables, overview descriptions and step-by-step instructions. Case studies to help you put the principles covered into a real-life context. Useful margin features throughout, including definitions, key facts and 'safety first' considerations.

Quick Smart English is a radical, rapid, revision course in English language communication for students at Advanced level (Common European Framework B2-C1). QSE has a strong functional, grammatical and lexical framework. QSE provides extensive practice of all four language learning skills, particularly speaking, aided by Language banks on the fold-out cover flaps. QSE is officially recognised as valuable preparation for the GESE and ISE examinations of Trinity College, London and includes extensive Trinity examination practice activities. QSE is based on stimulating and controversial topics to promote real discussion in class about subjects that really matter to students. It includes a unit-by-unit Glossary. QSE uses task-based learning activities including Conversations and Topic Presentations plus a wide range of pair and group exercises using Role play cards. QSE includes cross-curricular, Content and Language Integrated Learning (CLIL) themes, such as science, economics and law in English. QSE texts are drawn from a wide range of English-speaking world sources, from reportage to fiction, and include authentic Extended reading sections. QSE Workbook comes included in the Student's Book. QSE 'watch and listen' DVD consists of 20 units of audio and visual material - 6 videos and 14 audios, plus PDF files for transcripts. QSE Teacher's Guide includes photocopiable exam practice materials.
