Professional Profile

As an Edward Jones financial advisor, I believe it's important to invest my time to understand what you're working toward before you invest your money. It's also important to understand the level of risk you're comfortable accepting when investing so we can balance it with the steps necessary to reach your long-term goals. Whether you're planning for retirement, saving for college for ...

Edward Jones is commissioned based and therefore investment "advisers" are no such thing; rather they are sales people steering the client into a high-commission investments that will yield immediate compensation for the firm (and of course, themselves), but not necessarily benefiting the client. Sometimes the cost is hidden, built into the return. For example, a fund might earn a healthy 10% ...
