Every Breath is a phenomenal thriller from a Brilliant Australian author in Ellie Marney. It follows the story of Watts and Mycroft, who are on a strictly last name basis. Both dynamic characters in their own right, but share an intense attraction. Mycroft is a young man without supervision, living in a run down, ramshackle house with his absent aunt.

Every Breath (Every, #1) by Ellie Marney - Goodreads

Every Breath by Ellie Marney is a cracking read. The pace is faultless, the plot twists and turns like a hedge maze, and the characters are layered, complex and oh so engaging. Unlike recent television remakes that place Conan Doyle's characters in a modern city (be it London or New York), Ellie Marney has created an entirely new cast of characters.

A smart, contemporary take on a timely classic that is sure to please Sherlock aficionados of all ages. Every Breath (Every, #1), Every Word (Every, #2)....

Every Series by Ellie Marney - Goodreads

Again, I thought the best part of EVERY BREATH was the relationship and the tension between Mycroft and Watts, but that doesn ' t mean the rest of the story wasn ' t also good. I wouldn ' t have loved this book as much as I did if I didn ' t enjoy seeing the two of them tackling this crime together and using their brains together.
