GAAP IFRS.

Intermediate Accounting by Kieso, Weygandt, and Warfield is, quite simply, the standard by which all other intermediate texts are measured. Throughout the thirty years, and ten best-selling editions, the text has built a reputation for accuracy, comprehensiveness, and student success. This Updated Edition features and incorporates the 2005 FASB key accounting standards that have been updated since the original publication of "Intermediate Accounting, 11th Edition." The Updated Eleventh Edition maintains the qualities for which the text is globally recognized, and continues to be your students' gateway to the profession! Included in the package is the "Problem-Solving Survival Guide."

Intermediate Accounting: IFRS Edition provides the tools global accounting students need to understand IFRS and how it is applied in practice. The emphasis on fair value, the proper accounting for financial instruments, and the new developments related to leasing, revenue recognition, and financial statement presentation are examined in light of current practice. Global Accounting Insights highlight the important differences that remain between IFRS and U.S. GAAP, and discuss the ongoing joint convergence efforts to resolve them. Comprehensive, up-to-date, and accurate, Intermediate Accounting: IFRS Edition includes proven pedagogical tools, designed to help students learn more effectively and to answer the changing needs of this course.

The Sixth Edition of this well-respected intermediate text continues to provide the best conceptual and theoretical coverage in intermediate accounting. By doing so, students learn to understand, perform, and critically evaluate accounting practices and procedures. The focus of this revision is to make the text as student friendly as possible.

Now readers can get all the accuracy and authority of the best-selling intermediate accounting book in the new second edition of this brief, streamlined version! Fundamentals of Intermediate Accounting presents a balanced discussion of concepts and applications, explaining the rationale behind business transactions before addressing the accounting and reporting for those activities. Readers will gain a solid foundation in such areas as the standard-setting process, the three major financial statements, revenue recognition, income taxes, reporting disclosure issues, and much more.

Intermediate Accounting, 3e, by Spiceland/Sepe/Tomassini will gain support in traditional and technology-driven accounting departments, especially those looking for a more concise, decision-making text that reinforces challenging concepts via CD-ROM. The revision of this text is based around a "Learning System." The revision of this "Learning System" was built on improving the clarity of the chapters, emphasizing more decision-making in order to prepare students for the changes taking place on the CPA exam, acknowledging the diversity of students and their learning styles by creating supplemental materials to assure the success of every student, and creating a consistent text and supplemental package for both students and

instructor's giving us the best possible intermediate text on the market. Returning to the Third edition is the award winning "Coach" CD-ROM. The Coach CD-ROM is a multimedia product integrating audio and video clips, animated illustrations, cases, and alternative reading material that helps students comprehend some of the more difficult topics associated with intermediate accounting. Designed specifically for the Spiceland text, instructors and students will find these learning tools placed strategically throughout the text. This is the most comprehensive Learning System in Intermediate Accounting. At only 1120 pages (300 pages less than the average intermediate accounting text), Spiceland/S/T has not sacrificed content for pages. Instead, the authors have created a very flexible text with a student friendly writing style that focuses on explaining not just how to apply a procedure, but why it's applied.
