Bo-Katan Kryze, the Mandalorian warrior who helps out our hero, tells Mando he must take Baby Yoda to the Jedi known as Ahsoka Tano, which brings together decades of Star Wars lore.

As the war between the Republic and the scattered remnants of the Empire continues, two children--the Jedi twins--will come into their powers in a universe on the brink of vast changes and challenges. In this time of turmoil and discovery, an extraordinary new Star Wars saga begins.... While Luke Skywalker takes the first step toward setting up an academy to train a new order of Jedi Knights, Han Solo and Chewbacca are taken prisoner on the planet Kessel and forced to work in the fathomless depths of a spice mine. But when Hans and Chewie break away, they flee desperately to a secret imperial research laboratory surrounded by a cluster of black holes--and go from one danger to a far greater one.... On Kessel, Luke picks up the trail of his two friends, only to come face to face with a weapon so awesome, it can wipe out an entire solar system. It is a death ship called the Sun Crusher, invented by a reclusive genius and piloted by none other than Han himself...

As the war between the Republic and the scattered remnants of the Empire continues, two children - the Jedi twins - will come into their powers in a universe on the brink of vast changes and challenges. In this time of turmoil and discovery, a new Star Wars saga begins.

Kyp Durrion, Luke Skywalker's rebellious and most talented student, steals the design for the Sun Crusher, a heavily-armored spaceship with the capability of destroying suns, and begins a vendetta against the Empire

As the New Republic takes devastating losses in the ongoing war with the scattered remnants of the Empire, the galaxy's future depends on three small children -- among them the Jedi twins -- born to incredible powers and perils, as an extraordinary new saga unfolds... While the New Republic struggles to decide what to do with the deadly Sun Crusher -- a new doomsday weapon stolen from the Empire by Han Solo -- the renegade Imperial Admiral Daala uses her fleet of Star Destroyers to conduct guerrilla warfare on peaceful planets. And now she threatens the watery homeworld of Admiral Ackbar. But as the battle for a planet rages, an even greater danger emerges at Luke Skywalker's Jedi academy. A brilliant student delves dangerously into the dark side of the Force and unleashes the spirit of an ancient master of the evil order that warped Darth Vader himself. Working together, they may become an enemy greater than the New Republic has ever fought... more powerful than even a Jedi Master can face. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

Titles include Jedi Search, Dark Apprentice and Champions Of The Force.

This work contains volumes 1, 2 and 3 of the Jedi Academy trilogy. They are: Jedi Search; Dark Apprentice; and Champions of the Force.
