Describes the life of John Bunyan, itinerant English Puritan preacher and author of many religious books and sermons, including "Pilgrim's Progress."

The Hobgoblins is a historical novel on the life and times of John Bunyan, best-selling author of *The Pilgrim's Progress*. Readers of war stories, accounts of those who suffer under poverty and oppression, books about heroes of history, will find this book fascinating. The story unfolds as written in the persona of Harry Wylie, companion of the rebel John Bunyan, corrupted by the village blasphemer in their youth. Harry gives his unvarnished, eyewitness version of the life of Bunyan, including their youthful pranks in and around 11th century Elstow Abbey, their military service as enlisted teens in the English Civil War, narrow escapes in battle, the great plague and Great Fire of London in 1666, Bunyan's principled stand against civil tyranny, the various trials Bunyan endured before magistrates for unlicensed preaching, his wife Elizabeth's intrepid defense of her husband before the House of Lords, and Bunyan's long imprisonment. Harry in his adulthood has become the county jailer and recounts Bunyan's aversion to restraint of any kind and the twelve long years he spent behind bars in prison. Harry believes people never change, and Bunyan's stand against tyranny he long dismisses as yet another expression of his friend's youthful rebellion. The author creates Bunyan's 17th century voice from *The Pilgrim's Progress* and other books written by the unlettered village tinker, who remains the best-selling author of all time.

John Bunyan (28 November 1628 - 31 August 1688) was an English Christian writer and preacher, famous for writing *The Pilgrim's Progress*. Though he was a Reformed Baptist, in the Church of England he is remembered with a Lesser Festival on 30 August, and on the liturgical calendar of the Episcopal Church (USA) on August 29. As his popularity and notoriety grew, Bunyan increasingly became a target for slander and libel; he was described as "a witch, a Jesuit, a highwayman" and was said to have mistresses and multiple wives. In 1658, aged 30, he was arrested for preaching at Eaton Socon and indicted for preaching without a licence. He continued preaching, however, and did not suffer imprisonment until November 1660, when he was taken to the County gaol in Silver Street, Bedford. In that same year, Bunyan married his second wife, Elizabeth, by whom he had two more children, Sarah and Joseph. The Restoration of the monarchy by Charles II of England began Bunyan's persecution as England returned to Anglicanism. Meeting-houses were quickly closed and all citizens were required to attend their Anglican parish church. It became punishable by law to "conduct divine service except in accordance with the ritual of the church, or for one not in Episcopal orders to address a congregation." Thus, John Bunyan no longer had that freedom to preach which he had enjoyed under the Puritan Commonwealth. He was arrested on 12 November 1660, whilst preaching privately in Lower Samsell by Harlington, Bedfordshire, 10 miles south of Bedford.
