This Kenmore 2 tons
heat pump
Model
ch5024qkb2, sold by
Sears, was installed
in November 1992,
manufactured in
August 1991 by icp
(Inter-City Products at
that time). I have
purchased the house
in 2011, including this
heat pump. According
to files of the former
owner, only the

In the example shown
below, it was marked

at the bottom of the

data plate that the unit
(a package heat
pump) was

manufactured by

Goodman, and they

Get Free Kenmore Icp

go by the first two
numbers—so it is 1998.

When the data plate
references the actual
manufacturer you can
assume that the serial
number complies with
their system.
