The 1950s saw the emergence of literary lights including J.D. Salinger and Jack Kerouac, authors whose books questioned the status quo and the midcentury preoccupation with conformity. The decade's best books were mired in the dark realities of recent history, and looked forward to seismic social sh

Book is small and thin. Was published in conjunction with Big Little Book collection from a Florida museum. Text provides little information about these books. Illustrations are nice but many books in horrible condition. Basically a picture book of someone's so-so collection they donated to a museum. Not worth the money.
