a Meade  Telescope to look at the Sun! Looking at or near the Sun will cause instant and irreversible damage to your eye. Eye damage is often painless, so there is no warning to the observer that damage has occurred until it is too late. Do not point the telescope or its viewfinder at or near the Sun.

Tips for Deforking an Rcx400 16 inch - posted in MAX & Rcx/LX400 Series: Hello all, I am looking to defork an Rcx400 which is on a specially made pier mount made for our latitude. I am hoping to replace the pier with a different one and place the assembly on an i0ptron CEM120 mount. It has a payload capacity of 115lbs which I believe will be more than enough for the Rcx400 16 OTA, a ...
