Louis Ferrante is a former member of the mob. He read a book for the first time when he was in prison and eventually got himself out. Mob Rules is a book with a slew of rules that apply both to the mob, and the business man. The concept was interesting, but I thought his writing was too formulaic. He said he taught himself the art of writing.

The mob is built on a strict hierarchy, and the boss always has to be given a piece of the action as "tribute." This practice can and should be adapted by legit businesses, though not by kicking cash up to the boss, but credit. If you work for someone else, you could consider that your job is to make your boss look good.
