Nothing - Janne Teller I firmly believe that there are concepts and experiences far too difficult to put into words; this is not to say they cannot be put into stories. Words are the first level of language and are sufficient for communicating simple ideas, but to consider anything complex we need to move into metaphors, into parables and into stories.

Ministry Prize for best children's/youth book of 2001. Le Prix Libbylit 2008. Summary: When thirteen-year-old Pierre Anthon leaves school to sit in a plum tree and train for becoming part of nothing, his seventh grade classmates set out on a desperate quest for the meaning of life.

Nothing

Pierre Anthon, meanwhile, is laughing in his plum tree. Janne Teller's nihilistic novel is uncomplicated by philosophical standards, but its disturbing implications will resonate with both teenagers and older readers.

Clocking in at a mere two hundred and twenty-seven pages, Nothing is a splash of cold literary water—a chilling and unforgettable look into human depravity and our desperate search for meaning in a meaningless world.

What you do see coming is a whole lot of philosophy: Teller's adult novels and essays have a strong philosophical bent, and when she opens Nothing with 12-year-old Pierre Anthon stating that nothing matters (hence the title) and taking up residence in a plum tree in a hippie commune, we won't blame you if you roll ...
