This article provides healthcare providers with a step-by-step guide on how to successfully accomplish your NRP skills session as well as the E-sims portion of the AAP NRP exam. Initial Neonatal Resuscitation is all about being ready. If you are not ready, your resuscitation will be inefficient. This is why it's essential to have your American Academy of Pediatrics NRP certification combined with your NRP skills.

Neonatal Resuscitation: What you need to know!

The Neonatal Resuscitation Program® (NRP®) course conveys an evidence-based approach to care of the newborn at birth and facilitates effective team-based care for healthcare professionals who care for newborns at the time of delivery. NRP utilizes a blended learning approach, which includes online testing, online case-based simulations, and hands-on case-based simulation/debriefing that focus on critical leadership,
