I like the photos here, but it seems strange to me that a book titled "numbers colors shapes" would devote so many pages at the end to things that are none of those (opposites, times of day, places) when it doesn't even have the full rainbow of colors. The "first 100 words" book has more colors. I can excuse it not having brown, black, or white, but it doesn't even have purple! The colors are limited to red, orange, yellow, green, blue, and pink.
