Look at thick and thin. Nib pens are great for this. Draw structures in shadows with thicker lines, and structures in light with thinner lines. Try it yourself: draw a circle, then go over the bottom of it with a heavier line and immediately it gains volume and looks like a ball. 03. Use a mixture of pens

Excellent, clearly written how-to guide for training powers of observation, judging proportions, assessing values, plus valuable suggestions for use of drawing media. 180 line illustrations and halftones.

Discusses the basics of drawing, explains how to handle colored pencils, and offers advice on making pencil drawings of landscapes, people, and animals

Water-soluble colored pencils are portable, versatile and much more forgiving than traditional watercolors, yet many artists have only just begun to tap into this medium's creative potential. This book explores the amazing possibilities of watercolor pencils, providing artists with basic instruction for taking full advantage of them in their artwork. Beginning with an overview of necessary materials and basic techniques, artists will learn from simple mini demos how to mix colors, create washes, layer colors and more. Artists will then see how these painting techniques are employed to capture a variety of popular subjects, including landscapes, flowers, animals, water, people, skies, trees, bridges and buildings. The last chapter of the book demonstrates how to mix watercolor pencils with other mediums to create all kinds of new and interesting effects. Cathy Johnson is the author of five North Light books, including Creating Textures in Watercolor and Watercolor Tricks and Techniques. She has also authored Sierra Club Guide to Sketching Nature and Sierra Club Guide to Painting Nature. She lives in Excelsior Springs, Missouri.

A complete course for the can't-wait-to-get-started beginner! Got the urge to draw? What are you waiting for?! Getting started is as easy as 1-2-3 with Grant Fuller's Start Sketching & Drawing Now! Packed full of easy and fun techniques, readers will learn to create accurate and expressive likenesses of people, animals, landscapes, and objects. Suddenly rendering even something as mundane as an electrical plug will become an adventure in seeing—and as you'll discover, learning how to really see your subject is half the battle. A progressive series of lessons range from proven exercises for developing hand-eye coordination, expressive line work and keen powers of observation, to creating the illusion of depth and dimension, realistic textures, reflections and more 30 step-by-step demonstrations cover an exciting range of subjects, including still lifes, landscapes, architecture, animals and people Graphite pencil is the featured medium, but charcoal, pen & ink, colored pencils and pastels are also explored Practice is important, of course, but this expert instruction will fast forward you past many hours of trial, error and frustration. With every lesson you'll develop skills and confidence. Get started today with simple materials you may already have or can easily pick up at any major retailer. Before you know it, you'll be able to capture a wide range of subjects with artistic style and vision.

rendering of different materials, as well as composition and drawing from nature. 36 illustrations. /div

"Learn to draw and paint using colored pencils in *The New Colored Pencil*: a how-to guide for creating vibrant, textured, and easy art illustrations by best-selling author and teacher Kristy Kutch Popular colored pencil artist and teacher Kristy Kutch guides readers through the myriad new developments in colored pencil materials, techniques, and practices, focusing on traditional, wax, and watersoluble colored pencils. With lessons in color theory, combining color media, creating and enhancing textures, and experimenting with new surfaces, the guide culminates in a number of demonstrations to round out this book as a complete resource. Vibrant illustrations by an array of contemporary colored pencil artists expose the vast, radiant possibilities of this medium today"--

From the best-selling artist and YouTube art instructor, this book features step-by-step lessons that show you how to draw professional-quality portraits, landscapes, travel sketches, and animals using only two ordinary pencils. Great art doesn't have to be expensive. For the cost of a regular graphite writing pencil and an equally ordinary black colored pencil, you can create drawings worthy of framing and displaying. In this straightforward, aspiring artist's guide to rendering a variety of popular subjects with only two pencils, artist and art instructor Mark Crilley presents a direct, approachable, and achievable method for drawing just about anything. The Two-Pencil Method breaks down Crilley's techniques across six chapters of five lessons each. In each lesson, you'll learn how the two-pencil method can add depth and shading, allowing you to create bold and distinctive drawings that go beyond mere sketchbook doodles. The book moves from a primer on drawing basics to step-by-step examples of still lifes, landscapes, animals, travel sketches, and portraits. With each chapter, Crilley's confident and encouraging voice and expert insights demonstrate how to achieve stunning artistic results from the simplest of art materials.

Presents more than one thousand art terms and descriptions, and includes sidebars and illustrated examples.
