The SMaT Plan – Save More Tomorrow. Save More Tomorrow, or SMaT, is a pension program created by Thaler and Benartzi, designed to circumvent the above mentioned obstacles, thereby empowering people to save more. The program has varied in implementations, but has four main features: 1) Because of hyperbolic discounting, people will find it more attractive to save later than now.

*Financial nudge: The classic example of Save More Tomorrow*

The Save More Tomorrow, SMaT Plan, by Sholomo Benartzi and Richard Thaler, 2004, proposed a way to deal with the problems of retirement savings. No matter what we do, we are all in organizations pursuing changes in people's behavior. This is the decision process in order to save for retirement. Analyzing the process we can...
