Seamus Heaney. For those unfamiliar with Beowulf, it is a late first millennium Anglo-Saxon epic about the hero Beowulf's fights with three monsters: Grendel, Grendel's mother, and, fifty years later at the end of his life, a dragon.

Download File PDF Seamus Heaney Beowulf

Composed towards the end of the first millennium, the Anglo-Saxon poem Beowulf is one of the great Northern epics and a classic of European literature. In his new translation, Seamus Heaney has produced a work which is both true, line by line, to the original poem, and an expression, in its language and music, of something fundamental to his own creative gift. The poem is about encountering the monstrous, defeating it, and then having to live on, physically and psychically exposed, in that exhausted aftermath. It is not hard to draw parallels between this story and the history of the twentieth century, nor can Heaney's Beowulf fail to be read partly in the light of his Northern Irish upbringing. But it also transcends such considerations, telling us psychological and spiritual truths that are permanent and liberating.

"accomplishes what before now had seemed impossible: a faithful rendering that is simultaneously an original and gripping poem in its own right" (New York Times Book Review)."

Unique and beautiful, Beowulf brings to life a society of violence and honor, fierce warriors and bloody battles, deadly monsters and famous swords. Written by an unknown poet in about the eighth century, this masterpiece of Anglo-Saxon literature transforms legends, myth, history, and ancient songs into the richly colored tale of the hero Beowulf, the loathsome man-eater Grendel, his vengeful water-hag mother, and a treasure-hoarding dragon. The earliest surviving epic poem in any modern European language. Beowulf is a stirring portrait of a heroic world – somber, vast, and magnificent.

A unique parallel edition of Beowulf with the original Anglo-Saxon and Gummere's celebrated poetic translation on facing pages. "The whole thing is sombre, tragic, sinister, curiously real. ... It is laden with history, leading back into the dark heathen ages beyond the memory of song, but not beyond the reach of imagination" - J. R. R. Tolkien. The epic Anglo-Saxon poem Beowulf had "a deep and detailed impact on what Tolkien wrote - from his earliest poem of Middle-earth (1914), right through The Hobbit ... and The Lord of the Rings." - John Garth author of Tolkien and the Great War. "The story of Beowulf, Grendel, Grendel's mother and the Dragon [is] surely the basic story of all literature ... It is an epic that summons up a world whose trappings have long since disappeared, the trappings of the warrior ethos, and morality of almost prehistoric Germanic times; but the essential 'message' has not changed. It is about courage and resolve, about duty

and responsibility, about honour and achievement; but it is also about the transitoriness of things, and the inevitability of death, however glorious the life. It is both a celebration of humanity and an elegy. The poem Beowulf is one of the glories of European literature." - Magnus Magnusson. Beowulf, the greatest work of Anglo-Saxon literature, and "one of the glories of European literature," is set in the mists of Scandinavia, interweaving history and myth. It has been translated into English over seventy times, has been widely studied, and has influenced the popular imagination through Tolkien's Hobbit and Lord of the Rings. The young hero, Beowulf, receiving reports that a monster has been terrorising the neighbouring Danes nightly in their sumptuous mead hall Heorot, sails to their aid with a small band of warriors. The Danish King Hrothgar, amazed at his courage, honours him with a celebratory feast, after the shadowy monster Grendel strikes. Beowulf, a

Download File PDF Seamus Heaney Beowulf

man of suprahuman strength, though unarmed, fatally wounds Grendel, and later defeats his terrifying mother. Beowulf returns to Geatland, becomes King, and ruling with wisdom equalling his courage and strength, establishes peace for fifty years. However, an enterprising slave steals a jewelled cup from a sleeping dragon's hoard, whereupon the enraged dragon emerges spewing flames, killing villagers, and destroying homes. Beowulf, defender of his people, seeks the dragon in its lair; however, once the fire-breathing dragon emerges, he is abandoned by all but the young Wiglaf. The two ultimately slay the dragon, but only at the cost of a mortal injury to Beowulf. Beowulf, who has triumphed gloriously in life and died tragically, is given a funeral equal to any of the heroes of The Iliad or The Aeneid. This dual-language edition will be enjoyable for general readers, and invaluable for students who would like to read Beowulf in either Anglo-Saxon or

modern English, while dipping into the other language to deepen pleasure or comprehension. It provides an enjoyable experience of the epic poem Beowulf.

A Boston Globe Best Poetry Book of 2011 Winner of the 2011 Griffin Poetry Prize Winner of the 2011 Poetry Now Award Seamus Heaney's new collection elicits continuities and solidarities, between husband and wife, child and parent, then and now, inside an intently remembered present—the stepping stones of the day, the weight and heft of what is passed from hand to hand, lifted and lowered. Human Chain also broaches larger questions of transmission, of lifelines to the inherited past. There are newly minted versions of anonymous early

Irish lyrics, poems that stand at the crossroads of oral and written, and other "hermit songs" that weigh equally in their balance the craft of scribe and the poet's early calling as scholar. A remarkable sequence entitled "Route 101" plots the descent into the underworld in the Aeneid against single moments in the arc of a life, from a 1950s childhood to the birth of a first grandchild. Other poems display a Virgilian pietas for the dead—friends, neighbors, family—that is yet wholly and movingly vernacular. Human Chain also includes a poetic "herbal" adapted from the Breton poet Guillevic—lyrics as delicate as ferns, which puzzle briefly over the world of things and landscapes that exclude human speech, while affirming the interconnectedness of phenomena, as of a self-sufficiency in which we too are included.
