and then back to normal. This is a major life transition and it's for keeps. Few of us think of retirement as a 20 or 30-year period of our life that will see our wants, needs and finances change. But the reality is that retirement doesn't happen on a single day. It's a transition that takes place over a long period of time. In the *New Zealand Retirement Guide*, best-selling finance writer Martin Hawes leads New Zealanders through the task of planning for a retirement that will deliver them the best years of their life. By focusing on where you will live, the kind of lifestyle you will have, how much income you will receive and how you could spend it, Hawes provides the key to enjoying a rewarding and stress-free retirement. Practical examples, case studies and helpful links to website resources make this an indispensable guide for anyone thinking about retirement, as well as for retirees wanting to prepare

When Tina Basich grabbed her rented snowboard and headed to the mountains in Lake Tahoe, snowboarding wasn't even considered a sport . . . yet. It was the beginning, and could have easily gone the way of many other sports and become dominated by male-driven competition. But not with Tina on the scene . . . Comments like "You're pretty good . . . for a girl" only pushed her harder to be the best and to prove she was more than just a token player on the slopes. Representing for women everywhere, she became a snowboarding all-star, started her own signature board

and clothing lines for women, founded Boarding for Breast Cancer, and followed her heart, which led her on the adventure of a lifetime. This is her story.

Gain Without Pain. Learning to snowboard can be easy and painless—with the right instruction. In this groundbreaking book, Danny Martin, the most sought-after snowboarding instructor today, teaches you how to snowboard in just three days—and without falling. While the American Association of Snowboard Instructors tells its members, “Your students will fall,” Danny Martin shows you that there can be gain without pain: he has single-handedly revolutionized the way the sport is taught, and in *No-Fall Snowboarding* he reveals his techniques. Firmly grounded in physical fitness and martial arts and designed so

everyone—beginners, skiers, even seasoned snowboarders—can practice at home, No-Fall Snowboarding will teach you how to:

- Learn proper snowboarding techniques long before hitting the mountain
- Create balance with easy, specific body movements
- Find the perfect board, gear, places to board
- Get over bad habits
- Avoid typical twisting motions guaranteed to cause falling

Filled with dozens of stunning photographs by renowned photographer Mark Seliger, No-Fall Snowboarding is the go-to guide for people of all ages and skill levels who want to learn America's fastest growing sport.
