**Steps Involved In Research Process | Research Aptitude**

Begin with writing the thesis, then the general statement/attention-grabbing hook, then the structure statement. For each body paragraph, write down the main topic, and note the specific points you want to mention. Writing down quotes you plan to use is optional. For the conclusion, write how you plan to revisit your thesis.

Most research papers conclude with a restated thesis statement. Present your thesis again, but reword it. Briefly summarize the points you've made. Take a moment to explain why you believe those points support your case. If your research is inconclusive, take a moment to point out why you believe this topic bears further research.
