The Body Code System was originally created after 28 years in private practice as a Chiropractor and Holistic Doctor where I handled dozens of the most "hard-to-crack" medical cases every single week. In fact, as the word spread, I needed a way to quickly review the cases and get the right answer in minutes.

The Body Code™ is a patented, revolutionary energy balancing system, intended to help you uncover root causes of discomfort, sickness and suffering in body and spirit – so you can have the opportunity to make corrections right on the spot. Our goal is to help you identify the underlying causes of your physical or emotional concerns, then release them in minutes so you can start feeling like yourself again.

How Does it Compare to "The Emotion Code"? Using "The Emotion Code" is like looking in a microscope that is turned to a higher magnification such as 40x.You have zeroed in on a specific area and are studying and working with it closely. Using the "Body Code Healing System" is like rotating the microscope to a lesser magnification such as 10x so that the field you are now looking at includes ...

The Body: A Guide for Occupants by Bill Bryson is a well-researched user's manual for anyone interested in how our bodies function. And, of course, we also have the opportunity to enjoy the Bryson wit. This is a field trip through the human body and I was astounded at the level of research needed to write such a book.
