The Border Exploring The Ua Mexican Divide

More than 250 million people cross the U.S.- Mexican border legally each year, and as many as 10 million do so illegally, making the border--la frontera to Mexicans--the most traversed national boundary on the planet. In an age of terrorism and economic uncertainty, that border is already one of the most hotly debated issues in American politics and is certain to play a prominent role in the 2008 campaign for president.
