Michael Gerber's The E-Myth Accountant fills this void, giving you powerful advice on everything you need to run your practice as a successful business, allowing you to achieve your goals and grow your practice. Featuring Gerber's signature easy-to-understand, easy-to-implement style, The E-Myth Accountant features Gerber's universal appeal as a recognized expert on small businesses who has coached, taught, and trained over 60,000 small businesses A recognized and widely respected co-author and leader in the accounting field The E-Myth Accountant is the last guide you'll ever need to make the difference in building or developing your successful accounting practice.

An instant classic, this revised and updated edition of the phenomenal bestseller dispels the myths about starting your own business. Small business consultant and author Michael E. Gerber, with sharp insight gained from years of experience, points out how common assumptions, expectations, and even technical expertise can get in the way of running a successful business. Gerber walks you through the steps in the life of a business—from entrepreneurial infancy through adolescent growing pains to the mature entrepreneurial perspective: the guiding light of all businesses that succeed—and shows how to apply the lessons of franchising to any business, whether or not it is a franchise. Most importantly, Gerber draws the vital, often overlooked distinction between working on your business and working in your business. The E-Myth Revisited will help you grow your business in a productive, assured way.

With The E-Myth Contractor, Michael E. Gerber launches a series of books that apply the E-Myth to specific types of small businesses. The first is aimed at contractors. This book reveals a radical new mindset that will free contractors from the tyranny of an unprofitable, unproductive routine. With specific tips on topics as crucial as planning, money and personnel management, The E-Myth Contractor teaches readers how to: Implement the ingenious turnkey system of management—a means of creating a business prototype that reflects the business owner's unique set of talents and replicating and distributing them among employees and customers. Recognise and manage the four forms of money—income, profit, flow and equity. Harness the

power of change to expand the company. The book also provides help on a larger level, leading readers towards becoming business visionaries by relinquishing tactical work and embracing strategic work, by letting go to gain control. Once put into action, Gerber's revolutionary ideas promise not only to help contractors build successful businesses, but successful lives as well.

"This excellent book is a must-read for current and aspiring entrepreneurs." –Booklist Discover how to turn a great idea into a thriving business with *The E-Myth Enterprise*, using the proven methods that bestselling author Michael E. Gerber has developed over the course of his more than forty years as an entrepreneur and coach. Michael E. Gerber is THE #1 name in small business and his company, E-Myth Worldwide, boasts more than 52,000 business clients in 145 countries. *The E-Myth Enterprise* shows readers how to get started—because simply coming up with a brilliant business idea is the easy part.

The bestselling author of phenomenally successful and continually vital *The E-Myth Revisited* presents the next big step in entrepreneurial management and leadership with *E-Myth Mastery*. A practical, real-world program that is implemented real-time into your business, Gerber begins by engaging the reader in understanding why the entrepreneur is so critical to the success of any enterprise, no matter how small or large it may be, and why the mindset of an entrepreneur is so integral to the operating reality of the organization, of the small business, and the enterprise. He then covers seven essential skills: Leadership Marketing Money Management Lead Conversion Lead Generation Client Fulfilment Each of these seven skills is presented through a specific training module with corresponding tests and exercises that explain the content and principles to be learned, provide case studies and examples, as well as worksheets for applying those ideas to the business. Gerber ties it all together by helping readers put the pieces together in an *E-Myth Business*, an *E-Myth Practice* and an *E-Myth Enterprise*. This is the book that will show you the difference between being an entrepreneur versus doing a job, how to get money when the bank won't give it to you, how to expand your customer base when big business moves in down the street, how to develop the best people when you can't afford to pay them competitive wages, how to increase the predictability of what your business is able to promise, and then how to keep that promise, every single time, no matter where you are or what you're doing. *Mastery* is a business development program that helps you turn your company into a world-class operation...into a turn-key money machine!

The E-Myth Chief Financial Officer offers you a roadmap to create a company that's self-sufficient, growing, and highly profitable.

More than ten years after his first bestselling book, The E-Myth, changed the lives of hundreds of thousands of small business owners, Michael Gerber?trepreneur, author, and speaker extraordinaire?res the next salvo in his highly successful E-Myth Revolution. Drawing on lessons learned from working with more than 15,000 small, medium-sized, and very large organisations, Gerber has discovered the truth behind why management doesn't work and what to do about it. Unearthing the arbitrary origins of commonly held doctrines such as the omniscience of leader (Emperor) and the most widely embraced myth of all?e E-Myth Manager offers a fresh, provocative alternative to management as we know it. It explores why every manager must take charge of his own life, reconcile his own personal vision with that of the organisation, and develop an entrepreneurial mind-set to achieve true success.

This practical guide, for starting a new practice or maximizing an existing one, combines the expertise of small business development specialist, Michael Gerber and practice management coach, Frank Sovinsky, D.C.
