The harshness of the Vendan language compared to that of the lyrical and breathy previous kingdoms is just one small example of how much thought has gone in to making each character and each piece of this puzzle unique.

Held captive in the barbarian kingdom of Venda, Lia and Rafe have little chance of escape . . . and even less of being together. Desperate to save her life, Lia's erstwhile assassin, Kaden, has told the Vendan Komisar that she has a magical gift, and the Komisar's interest in Lia is greater than either Kaden or Lia foresaw. Meanwhile, the foundations of Lia's deeply-held beliefs are crumbling beneath her. Nothing is straightforward: there's Rafe, who lied to her, but has sacrificed his freedom to protect her; Kaden, who meant to assassinate her but has now saved her life; and the Vendans, whom she always believed to be barbarians but whom she now realizes are people who have been terribly brutalized by the kingdoms of Dalbreck and Morrighan. Wrestling with her upbringing, her gift, and her very sense of self, Lia will have to make powerful choices that affect her country, her people . . . and her own destiny.

A debut entry in a new trilogy by the author of the Jenna Fox Chronicles introduces Princess Lia, who flees an unwanted marriage and expectations about her supernatural legacy only to be pursued by her jilted fiancé and a ruthless assassin.

Princess Lia and her love, Rafe, have escaped Venda and the path before them is winding and dangerous.

On her first mission for MI6, the daring young photographer at the heart of this thrilling new mystery series by bestselling author Annie Perry travels to Mussolini's Italy to rescue the lover who betrayed her. Britain's secret intelligence service, MI6, has lost contact with its informant in northern Italy, just as important information about the future plans of Austria and Nazi Germany is coming to light. And young Elena Standish, to her surprise, is the only person who can recognize MI6's man—because he is her former lover. Aiden Strother betrayed Elana six years ago, throwing shame on her entire family. Now, with so much to prove, Elena heads to Trieste to track down Aiden and find out what happened to his handler, who has mysteriously cut off contact with Britain. As Elena gets word of a secret group working to put Austria in the hands of Germany, her older sister, Margot, is in Berlin to watch a childhood friend get married—to a member of the Gestapo. Margot and Elena's grandfather, the former head of MI6, is none too happy about the sisters' travels at this tumultuous time, especially when a violent event at home reminds him that even Britain is growing dangerous. As his own investigation collides with his granddaughter's, what's at stake on the continent becomes increasingly frightening—and personal. Against the backdrop of a rapidly changing Europe, New York Times bestselling author Anne Perry crafts a novel full of suspense, political intrigue, and the struggle between love and loyalty to country.
