She's the maid of the river So beautifully plain As fresh as the country That gave her her name As crisp as the snow And as swift as the rain She shone like the sun Before all of our games She shone like a jewel But her price was not gold She cried more than most When her story was told But her people were evil Left her barren and cold

The fourth novel in the highly acclaimed historical mystery series finds freed slave Benjamin January upriver from New Orleans to help his former master, Simon Fourchet, investigate a mystery on one of his plantations. Reprint.

In thirteenth-century Sri Lanka, Asanka, poet to the king, lives a life of luxury, enjoying courtly life and a sweet, furtive love affair with a palace servant, a village girl he is teaching to write. But when Magha, a prince from the mainland, usurps the throne, Asanka's role as court poet dramatically alters. Magha is a cruel and calculating king--and yet, a lover of poetry--and he commissions Asanka to translate a holy Sanskrit epic into the Tamil language spoken by his recently acquired subjects. The poem will be an olive branch--a symbol of unity between the two cultures. But in different languages, in different contexts, meaning can become slippery. First inadvertently, then deliberately and dangerously, Asanka's version of the epic, centered on the killing of an unjust ruler, inspires and arouses the oppressed people of the land. Asanka must juggle the capricious demands of a king with the growing demands of his own political consciousness--and his heart--if he wishes to survive and imagine a future with the woman he loves. The first novel from a remarkable young writer, River of Ink is a powerful historical tale set in the shadow of oppression--one with deep allegorical resonances in any time--celebrating the triumph of literature and love.

Sarah MacAlpin has always felt like an outsider. Raised by her Scottish grandmother deep in the Blue Ridge Mountains, Sarah grew up with one foot in the old world and one foot in the new world. Her childhood friends were the stuff of ancient Celtic legends. But Sarah's seemingly idyllic past hides a horrifying secret. As a little girl she watched her mother's inexorable slide into madness. But she hasn't let her past stop her from reaching for her dreams. She has managed to put together a pretty good life for herself. She has great friends, a boyfriend, and her career as a folklorist is all planned out. That is until she meets Dermot Sinclair. The handsome Scot seems to be dogging her every step. At best he's a fellow folklorist who can help her research. At worst, he could be there to steal her work. All she has to do is find one song that proves her thesis and her dissertation will be done. Unfortunately, unlocking that song may also mean unlocking some buried memories and a dangerous destiny set in motion generations ago.

Ten years into their marriage, Abbie faces a life-threatening illness. Her husband Doss battles the disease with her every step of the way. "Where the River Ends" chronicles their love-filled, tragedy-tinged journey and a bond that transcends all.
