In this beautiful and thorough investigation, *The Secret Language of Color* celebrates and illuminates the countless ways in which color colors our world. Why is the sky blue, the grass green, a rose red? Most of us have no idea how to answer these questions, nor are we aware that color pervades nearly all aspects of life, from the subatomic realm and the natural world to human culture and psychology. Organized into chapters that begin with a fascinating explanation of the physics and chemistry of color, *The Secret Language of Color* travels from outer space to Earth, from plants to animals to humans. In these chapters we learn about how and why we see color, the nature of rainbows, animals with color vision far superior and far inferior to our own, how our language influences the colors we see, and much more. Between these chapters, authors Joann Eckstut and Ariele Eckstut turn their attention to the individual hues of the visible spectrum—red, orange, yellow, green, blue, and violet—presenting each in fascinating, in-depth detail. Including hundreds of stunning photographs and dozens of informative, often entertaining graphics, every page is a breathtaking demonstration of color and its role in the world around us. Whether you see red, are a shrinking violet, or talk a blue streak, this is the perfect book for anyone interested in the history, science, culture, and beauty of color in the natural and man-made world.

New York Times bestselling adult author Luanne Rice makes her dazzling YA debut with this gorgeous, unputdownable story of love, hope, and redemption. When Ruth Ann (Roo) McCabe responds to a text message while she's driving, her life as she knows it ends. The car flips, and Roo winds up in a hospital bed, paralyzed. Silent. Everyone thinks she's in a coma, but Roo has locked-in syndrome -- she can see and hear and understand everything around her, but no one knows it. She's trapped inside her own body, screaming to be heard. Mathilda (Tilly) is Roo's sister and best friend. She was the one who texted Roo and inadvertently caused the accident. Now, Tilly must grapple with her overwhelming guilt and her growing feelings for Roo's boyfriend, Newton -- the only other person who seems to get what Tilly is going through. But Tilly might be the only person who
