The Seventies

The 1970s (pronounced "nineteen-seventies"; shortened to "the ' 70s") was a decade of the Gregorian calendar that began on January 1, 1970, and ended on December 31, 1979.. In the 21st century, historians have increasingly portrayed the 1970s as a "pivot of change" in world history, focusing especially on the economic upheavals that followed the end of the postwar economic boom.

The '70s was the last decade when a person could wake up one day having no idea who Darth Vader was—and by dinner that night their head would be spinning with thoughts of the Dark Side and black helmets and lightsabers. The world was suddenly divided between "before Star Wars " and "after Star Wars," and nothing would be the same for us again.
