The Whole Earth Catalog was an American counterculture magazine and product catalog published by Stewart Brand several times a year between 1968 and 1972, and occasionally thereafter, until 1998. The magazine featured essays and articles, but was primarily focused on product reviews. The editorial focus was on self-sufficiency, ecology, alternative education, "do it yourself", and holism, and featured the slogan "access to tools". While WEC listed and reviewed a wide range of products, it did no
