makeBadminton Unit Plan. Philosophy. Our
philosophy is that Physical Education should
promote the learning domains as outlined in
the BC IRP, while providing a positive
learning environment where the students feel
comfortable regardless of their ability.
Through making our program fast paced and fun
we will be able to incorporate different
teaching styles so that those students of all
levels feel comfortable and increase their
badminton skills.

9th Grade Badminton Unit Plan. INTRODUCTION. The purpose of this unit is to introduce the game of badminton and to create an interest and a level of success in the game so that the students will want to continue to participate for the rest of their lives. Introducing the game of badminton at this level is developmentally appropriate for these students because badminton is a lifetime sport and is a sport that will keep the individual active along their live span.
