Watchers by Dean Koontz is one of my all time favorite books. I have read this story so many times over the last 30 years or so, that I have lost count of the number of times I have read it. Each time I read it, I enjoy it all over again! I bought three copies of the paperback to make sure I always had it to read.

Dean Koontz has not just written another excellent novel. In my opinion he has outdone himself with Watchers. Will he ever be able to outstrip or even match what I think is his best ever work? We will have to wait and see. If you have never read any of his books I seriously urge you to read Watchers.

Dean Koontz wrote a black character jiving about the pains of being a brother, like an awkward tactless tonedeaf centre dem larping as a black cop hunting baboon bigfoot. Basically I'm disappointed I don't have the paperback because at least I could clean myself after passing faeces. there could be some kind of redemption for the text in that scenario. but not now Watchers made me more stupid.
